## For Friends

*Help me to be a friend to all those I meet today. Help me open my mind and heart to all those who need me. Let me see behind the masks we wear to the wonderful persons we really are. Teach me to see You in others. May I come to love and cherish and remember my friends in your name.*

A friend is  
someone who does not  
compete with you.

### **THE TONE OF VOICE**

*Submitted by Audrey Benning*

A friend is  
someone who is genuinely happy  
for you when things go well.

A friend is  
someone who understands  
whatever you do.

A friend is  
someone who tells you  
the truth about yourself.

A friend is  
someone who knows  
what you are going through  
at all times.

A friend is  
an extension of yourself

It's not so much what you say  
As the manner in which you say it;  
It's not so much the language you use  
As the tone in which you convey it.  
"Come here!" I sharply said,  
And the child cowered and wept.  
"Come here," I said. He looked and smiled,  
And straight to my lap he crept.  
Words may be mild and fair,  
But the tone may pierce like a dart;  
Words may be soft as the summer air,  
But the tone may break my heart.  
For words come from the mind,  
Grow by study and art ---  
But tone leaps from the inner self,  
Revealing the state of the heart.  
Whether you know it or not,  
Whether you mean or care,  
Gentleness, kindness, love and hate,  
Envy, anger are there.  
Then, would you quarrels avoid,  
And peace and love rejoice?  
Keep anger not only out of your words ---  
Keep it out of your voice.
