Re: THOMAS MERTON LIBRARY at MCI SHIRLEY

Dear Catholic Free Press,

The Our Lady of Guadalupe Catholic Community here behind the razor wire of the State Prison in Shirley is so pleased to announce that we have been blessed with the incredible donation of the second largest Thomas Merton Library in the world!

Dr. John "Jack" Collins, our International Thomas Merton Society Chapter president, arranged for one of the most dedicated Merton Scholars, Edward J. Farley, to donate his extensive Merton Library to our humble prison chapter upon his passing. This library collection includes hundreds of books, audio cassettes (some of them containing live recordings of Thomas Merton), video cassettes, and DVD's covering all aspects of Merton teachings and theology. There are also hundreds of periodical articles and International Thomas Merton Society annual meeting recordings, as well as other interesting Merton memorabilia and photographs. We were awestruck by the massive content of this library and plan a formal dedication ceremony for October 21, 2015, which will be attended by Dr. Michael Higgins, President of the International Thomas Merton Society and other special guests, including members of both the Farley and Collins families.

We would like to extend our deepest appreciation to Dr. Collins and the entire family of Edward Farley for their generosity, kindness, and true devotion to continuing to promote Merton philosophy even in the most unorthodox of settings. We are truly blessed here. I am,

Yours In Christ,

Timothy J. Muise
