Dear Julie\_Ann\_Morris,

Thank you for your kind comments and insightful depiction of the tragic state of affairs we all deal with; inside and out. God bless you for coming back to take care of your Mom. She obviously has a special daughter.

Do you think it is possible for you to send a business email for me from time to time? I used to be able to do so, but lost that ability, and could really use the help. I won't not burden you, just a few emails a month. Let me know if this is possible.
