The latest news on Face book, is I'm engaged to be married. That's news to me! I don't have a girl friend, muchless a Fiancee! I wish that I did, but unfortunately I don't.

My mother left a message on this Face book page, informing the individual, to remove this Face book page. The person has now blocked her, from going on to this Face book page.

So I'm taking this countermeasure, to dispel this fraudulent rumor, that I'm currently engaged. It's a baldface lie!" I don't have a girl friend, muchless a Fiancee, if I did, I'd personally announce it here on my blog.

This is the 2nd time, some one has done this. The other time I knew who it was, this time I don't have the slightest idea. I just want to clear this up

Thank you for your time. God bless you, and I hope all of you have a very merry Christmas.

In Peace + Love
