HEY WHATS UP 2 I RESPONDED AND HAVEN'T YET
HEARD ANYTHING BACK. I SENT YOU MY ADDRESS HERE
AT UACAVILLE. I'M IN A MEDICAL FACILITY PINKY, I
LIVE IN A 1 MAN CELL AND ITS ALL GOOD GIRL IF
YOU KNOW WHAT I MEAN. I WAS GOING THROUGH
SOME OF MY POSTS AND FOUND YOUR RESPONSE OR
INTRO AND I REALLY LIKE WHAT YOU WERE TELLING
ME. I NEVER REALIZED THAT WISCONSIN HAD A LOT
OF PRISONS LET ALONE A GANG OF CRIMINALS. I WOULD
THINK ITS WAY TOO DAMN COLD TO HAVE PEOPLE
OUT CATCHING CASES. WHEN I WAS 9 YRS OLD I
LIVED IN DENVER COLORADO AND THE CITY WOULD
BE FROZEN OVER AND AT A STAND STILL UNTIL
THE STREET SWEEPERS WOULD GET THE SNOW OFF
THE STREETS. IT WOULD BE SO FUCKEN COLD OUTSIDE
AND QUIET. NOT A BIRD LET ALONE A DOG OR CAT. I
GUESS IF I WOULD HAVE STAYED FOR A FEW YEARS
IN DENVER I WOULD HAVE GOT USE TO THE COLD.
SO LOOK I DECIDED TO GET BACK AT YOU I REREAD
WHAT YOU LEFT ON MY BLOG AND A FEW THINGS CAUGHT
MY ATTENTION. IF WE ARE ON THE SAME PG YOU
MAIL ONCE IN A WHILE CHECK MY POSTS. WHEN I READ
WHAT YOU LEFT ME, SOMETHING THAT JUMPED OUT
WAS HOW LONG IT TAKES FOR US TO RESPOND TO
EACH OTHER FUCKING WITH THIS BLOG OF MINE.

Reply ID 4429 Don't get me wrong PINKY I Appreciate MIT For
1-14-2016 paying for my Blog its much much appreciated. Without
my Blog I don't have a lot of conversation for the
streets. Yet you could have sent me love via
carrier pigeon and I would have got it faster.
I believe that the reason everything is so slow
is due to the amount of free blogs for prisoners
that MIT STAFF/STUDENTS have to deal with on a daily
basis. There are probably fools who post shit daily
and lots of the STAFF are backed up. I know that
the MIT STAFF post our letters everyday and
who knows how much STAFF they have. I was
thinking that its a new year PINKY and don't
you have my Vacaville hook up already? I'm
going to give it to you again in hopes that
you get a pad of paper a pen stamp/Envelope and
get at me through the mail. I figure you live
in WI so the letter will take like 3 days
to get to this prison and I'd say give it
3 days for mail room STAFF to send it to
my cell. -WOW I was thinking it is fucked up
that you had to wait til MIT Posts my
Reply before you could have sent a kite to
Vacaville. The thing is you never did get at
me here and THATS why I'm posting this for
you now. I'm using the same reply ID: 4429
in hopes that its all good still. Does it
work like that?

~~REPLY ID: 4429~~ I don't really know much about how my blog works. I guess REPLY ID: 4429 your reading this posted under 4429 that's what it told me 1-14-2016 To do. maybe I need to read the rules to my blog. I probably screwed up and that's why you never got my REPLY. I have a ~~REPLY ID: X69h~~ and then the next pg it says REPLY ID: 4429 you then ask (is that how we do this?)

Shit I'm kind of confused today, I'm kind of glad that I'm posting this long ass 3 pg post so far. It does read simple to reply to these comments please print the following "REPLY ID" at the top of the pg. The REPLY ID: is 4429

I was suppose to put REPLY ID: X69h I need to apologize to you big time pinky I think I didn't put the correct REPLY ID so MIT would shoot it out to you. What a idiot ya know.

You probably thought what a ass he couldn't respond to me who knows you might have thought that I didn't like what you posted. When actually after reading what you sent me I'm fucking liking your style. You called your self warped how could I not love that. Look believe me when I tell you I think me and you can become good friends. Have you ever had a real true friend pinky? A lot of people still haven't.

Reply 1D4Y29 I have my Brother Scot PINKERTON Blogs/1342/ He is
1-14-2016 NOT ONLY my Dang, He's my Family now - we were Cell mates
For 5 yrs and we lived in a small small cell Pinky. IT
WAS THE SIZE OF A GAS STATION BATHROOM I'm NOT Bullshiting.
I RECALL A LITTLE BIT ABOUT THE LETTER I SENT TO YOU.
I RESPONDED TO YOUR INTRO ASAP BUT HAVEN'T HEARD
BACK. YOU ASKED FOR MY ADDRESS HERE AT THE PRISON

course you hope to hear from me soon. Hearing
from me soon I guess don't work thanks to
