TRUMP CARD

RE: The day of reckoning is upon us.

BLACKMAN FOR TRUMP FOR PRESIDENT As I've surveyed prisoners, prison guards, black and white from California to Ohio. Nearly all are against Trump's presidency, mainly against his proposed suggestions to correct/address some of our national problems, eg.,

1). Immigration control; relaxed gun control; terrorism, restraint of all muslims, taxes, federal budget, etc.

LACK OF LEADERSHIP

AMERI-KKK and the rest of the world is in desperate need of strong leadership; guidance and solutions to address our many-many nearly insurmountable social, economical and international problems. Many conservative organizations are distancing themselves and do not support Trump's blunt, politically incorrect line of conservatism; mainly his blunt speaking solutions,

Well, as a **BLACK NATIONALIST BLACKMAN**, I do, not that I agree with Trump's proposed mechanics of his solutions; but what I do agree with is Trump's directness, his desire to move forward; right now ameri-KKKa's leaderless-ship is stagnated under the burden of overcaution, hypocrisy and political correctness; we are stewing in a pond of weak, gutless leaderless-ship.

INDEFINISIVE LEADERSHIP

Ameri-KKKa's destiny is that of a Great Empire for good or for bad; ameri-KKKa is the most filthy, filthiest rich empire the world has ever known. ameri-KKKans must find their balls and intestinal strength to take its needed place as world leader in our world in chaos and either lead or accept a secondary role and follow.

For those who adamantly oppose Trump's suggestions of solutions to our national and international problems; then let this be a point of discuss/brainstorming; realizing that we are all one people all in the same boat, sink or swim; let the detractors dig deep down in their guts and come up with better solutions; it's as easy and as simple as that.. This is a democracy; better and superior solutions will prevail; it isn't rocket science. Further, It is understandable that many do not like Trump's blunt solutions to our problems; but we should all be thankful to him that he has the balls to openly say what he feels, whether you are I like it or not; trust me there are many-many who feel and are thinking exactly the same thought; Trump isn't from mars; a solution is a solution a damn sight better than no solution; of course many would disagree with that; thinking if you don't know what to do then do nothing.. But ameri-KKKans must bite the bullet and accept sacrifice. Trump as far as I know hasn't raised any solutions that wouldn't work if properly and fully implemented; they would be painful inhospitable and politically incorrect Oh, well!

The old adage rings ever so true: IF YOU CANNOT TELL ME WHAT TO DO THEN YOU HAVE NO RIGHT TO TELL ME WHAT NOT TO DO: AGAIN either you're part of the solution or you become the problem

There is no stop^{ping} the world AND LET YOU GET OFF: TIME WAITS FOR NO ONE
EITHER YOU'RE MOVING FORWARD OR YOU'RE moving backwards. The bottom
line there are^{n't} any painless solutions to the world's ill. and ameri-
KKKans like the coward ostrichs want^{n't} to stick their heads in
the sands and want^{n't} the problems to be fix my magic or some sky-god, again
good luck on that and how is that been work^{n't} out for mankind?

The duty of mankind is simple either lead or follow; Trump's detractors
seemingly want to do neither. As we all know ameri-KKKans are cowardly
lazy hypocrites; wanting power, money and peace, yet not wanting to appear
as they are offending any one group or nation. We know to make an omelete
you've gotta break some eggs. It is childish and retarded for ameri-KKKans
to continue to think that solutions to gigantic social-economical-political
problems would and could be painlessly resolved.

From those I've interviewed it would be hard to find a blackman who'd
support the presidency of Trump; be(LIE)ving him to be a racist - I dis-
agree. Even if that were not so how many white president in the whitehouse
wasn't a racist against the blackman? That in the 21st century isn't a
disqualifying factor; racist can and are readily used and manipulate some-
times based on their biggotted agenda; even the mind of a Hitler could have
been manipulated because he wants something and for him to obtain all of
what he wants he's intelligent enough to know that he has to compromise,
here and there..

The true irony of this is neither whites nor blacks are use to a deci-
sive speaking whiteman blunt suggestions as to how to solve our national
problems. ameri-KKKans are soft to say the least, use to being cuddled,
sweet-talked, leaders talking diplomatically in circles, indecisive and
negotiating. **A MAN WHO STANDS UP AND TALKS LIKE A MAN IS INTIMIDATING AND
SCARY TO ameri-KKKans.** The logic And Philosophy of Trump is that he's a
businessman, there is problems, now here is the solution; there is no
checking with religious leaders or political correctnes; here is the god-
damn solution and let's do it.

We shouldall welcome a straightforward outspoken man as our national
leader; even if his plans fail and he's wrong, from the experience of wrong
we can go to its opposite, the purported right; a wrongdoing will cause
us automatically to spring back to its opposite direction; logic and
history dictates that Trump's radical ideas as to what he's do in office
will motify itself with reality=application..

It is baffling that ameri-KKKans do not realize that irregardless of
Trump's brovado and bluntness - TRUMP IS A SANE, EDUCATED, INTELLIGENT,
SUCCESSFUL BUSINESSMAN WITH DECADES AND DECADES of stable consistency. What
ameri-KKKa needs now is a non-politician president; who will run this
country as a business; who does not talk in doublespeak - out of both sides
of their neck. We don't need any more political-cowards. It is time for
a leader who can keep it real and serve it raw. ameri-KKKans MUST GROW-UP,
facing squarely theⁿake, mostly ugly truth of our realities.

Trump will be good for **BLACK-ameri-Kans**, his bluntness will hopefully
wake-up Black-ameriKans; to pay attention, to finally stand-up, exercising
their civil and constitutional rights. Hopefully realizing this country
belongs just as much to the blackman as it does the whiteman; that the res-
ponsibility, care and management of Black-ameri-Kans is solely that of Black-
ameri-Kans.

WHITE RACISM

RE: REQUEST FOR CRIMINAL INVESTIGATION AS TO WHY I AM BEING HELD AGAINST MY WILL IN AN OHIO PRISON, SLAVE PLANTATION WITHOUT LEGAL JUSTIFICATION SINCE 7-30-15, prior to I have not set foot within Ohio jurisdiction since 12-2-92

Dear Commander of the Highway Patrol:

My name is Otis Lee Rodgers, I am sixty-seven years of age, a blackman, a California Parolee released from California Department of Correction and Rehabilitation on 4-15-15, Prison ID Number V02538; there after I was wrongfully ordered by Governor John R. Kasich at the behesting of APA(Adult Parole Authority) Chief Cynthia Mausser to vilely and brutally dragged me back to Ohio at the hands NOTORIOUS interstate criminals, Black Fugitive Slave catchers, Prisoner Transport Service(PTS of America, LLC), Box 121591, Nashville, TN 37212, (665) 352-9798) with shackles, chains and handcuffs(11) prisoners packed in a small slave van like sardines(read attached Domestic War Crimes Complaint).

Upon my arrival here and at these 8-19-15 dated Revocation Hearing conducted by Parole Board Hearing Officer Marck C. Hauk.

- 1). In statutory malfeasance and in dereliction of duty, APA agent Ronnel D. Jones confessed that his agency had LOST my file for the last 20-years up until 7-12-15.
- 2). The ancient dated(11-24-92) dated failing to report to California was dropped by APA agent Jones.
- 3). The ancient 11-24-92 dated failing to contact APA Gail A Price was rejected by hearing officer Hauk, I was found not guilty

Yet, I still languish here, a California Parolee being held in an Ohio Slave plantation. The records will reflect that I have been condemned to an additional 2 years additional slavery in an Ohio Slave Plantation in torture and punishment for my 8-1-03 dated California conviction.

my argument is simple

- 1). I have never been an active Ohio Parolee with any of the accouterments(e.g., assigned Parole Officer, assigned Parolee reporting office, program ETC.); nor have I ever signed, acknowledge any conditions that would now result in my reenslavement for violating conditions that would now result in my reenslavement for violating its conditions; 20-23 years after my being granted parole under "SPECIAL CONDITIONS" TO MY Arizona detainer ONLY.; and released incustody to Arizona authorities on 12-2-92 I fully complied with the Ohio Parole Board's Special Conditions, as conditions ; I served my consecutive prison sentence and my Arizona parole all uneventful and received a final release on 5-22-97.

- 2). Ohio APA has zero, nothing, this ignorant white racism, ku klux klan slavery all to kill an innocent blackman.

A). There are simply no legitimate, lawful, verified, certified documentation indicating that understood, agreed to and acknowledged up to a 20-23 years parolee obligations with the conditions that could result in my reenslavement 23 years after my incustody parole to Arizona from my departure On 12-2-92; having not returned to Ohio since. Plainly put I haven't been in Ohio since 12-2-92 and I am not now nor have I ever been an active Ohio Parolee; therefore, black intelligents dictates that if I am not an Ohio parolee I could not possibly be an Ohio parole violator; even to the mind of an idiot or a Hitler.

MY OHIO REENSLAVEMENT IS WRONGFUL, ILLEGAL AND RACIST

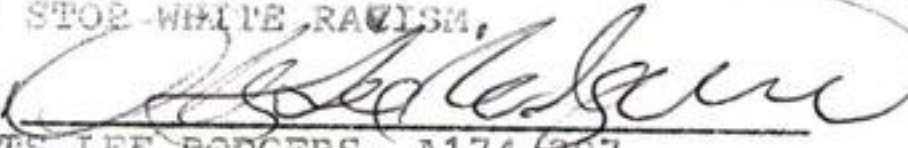

Again, again and again the cry of the blackman for JUSTICE from the corrupt cruel lying whiteman.

Commander, this isn't rocket science, either I am an Ohio parolee or I am not; all we need, rather alls I am demanding is to see legitimate, lawful document whereup I agreed to an Ohio 20-23 years of parole conditions and stop this white racism; I simply want white people to have decency, honor and integrity, **BUT OF COURSE THE BOTTOM LINE IS THAT WHITE PEOPLE ARE CRIMINALS, LIARS, CHEATS AND THEY LOVE TO KILL THE BLACKMAN AS A HOBBY**

COMMANDER WILL YOU MAKE AN INQUIRY, WILL YOU INVESTIGATE MY COMPLAINT OF WRONGFUL ENSLAVEMENT?

IN THE STRUGGLE FOR TRUTH AND JUSTICE
TO STOP WHITE RACISM,

ATTEST:

Jon Huston, Secretary of State

TO:

RE: Criminal Complaint; Report of Domestic War Crimes against U.S. Prisoner Transport Services of America (PTS) ., LLC, Nashville, Tennessee; appointed agents of the State of Ohio.

ELDER ABUSE, a felony, barbaric, inhumane treatment of a prisoner, abuse of authority. I was harmed and my life senselessly put at risk. Cruel and unusual punishment 8th, 14th Amendment Diseased and deprived cruelty, torture, abuse of prisoner, sadism. 42 U.S.C. 1983 and in violation of A.R.S. 5121:1-1-35

Ohio Adult Parole Authority and Governor John R. Kasich did knowingly hire/appoint as their agents for the State of Ohio PTS of America to transport prisoner Otis Lee Rodgers a prisoner from the State of California to the State of Ohio, Lorain Correctional Institute, Grafton, Oh. On Saturday July 25, 2015; U.S. Prisoner Transport Service presented me with the Governor's warrant and upon inquiry agent Willard explained that U.S. Prisoner Transport Service was the same as PTS.

WAS 205502
WAS 205502
I was handcuffed and shackled, put in a 6x4 $\frac{1}{2}$ x4 $\frac{1}{2}$ metal cage built inside of the back of a regular van - forced to sit unrestrained on a metal bench with (7) other about two-hundred pounds prisoners; packed in like sardines in a can for a total of 11 prisoners (two females) in about one-half of the van's capacity; all similarly hogtied; not unlike the slave ships of old. No ventilation, forced to endure mutual air of coughing and body gases; with a minimum a/c, temperatures ranging up to a 100+, DECREASES through Arizona, Texas, Florida etc. A travel period of about six days from California to Ohio making a dozen or so stop to unload and pick up new slaves/prisoners. My fellow prisoners in this small cage at least a dozen or so times couple hundred times like a sack of potatoes on a roller coaster; snapping my neck, bumping my head and knees into other prisoners. This merciless pounding was for thousands of miles on an already injured back. The agents were driving wrecklessly up to 90+ miles an hour at times - hitting bumps, turning sharp corners at unsafe speeds sudden stops to avoid accidents.

In Mobile, Alabama near the County jail Agent Willard and his goon partner stop the van in the middle of the road, jumped out, unsnapped their gun holsters, stopped the vehicle traveling horizon to the Van's path in the middle of the road; accosting and questioning the young white female driver - she began to cry - after about 5 minutes of interrogation detention she was released.

As the agents drove wrecklessly at high speeds to make time not giving a god-damn about their hogtied human cargo. Not unlike the nazis, fascist or racist white savages of old/slavers. I flew up in the air and slammed down hard on my tail bone and injured back joint on the metal bench. I was forced to sleep handcuffed and shackled in the sitting position pressed up against the next prisoner. It was a sweatbox, tempers flaring and violent arguments ensued, pushing and shoving, prisoners slipping their cuff/chains to fight. The guards to quell the violence they would turn on the heater in 100 degrees temperatures. I was unable to bathe or to brush my teeth saving for two night that we checked into a County jail. The smell of human bacteria was beyond sickening and repulsive; one guy threw up when he was loaded into the van.

I could see the two females through the holes in the first van and through to plexagalls in the second van. One female was bleeding with a large cyst near her public hair area and crying because the agents refuse to stop to allow her to clean herself. The other female took matters into her own hands, pulled her pants down and urinated on the van floor twice and then in a bottle that she ripped the top off ~~the~~; leaving her pants down for all to see in apparent anger and frustration as we disembarked the van at a County jail. I was forced to hold my body functions

for hundreds of miles, through multiple states until we reached a designa-
ted County jail stop.

Our/my repeated pleas for ice water felled on deaf ears and when an-
swered I was given warm bottle water that was already in the hot van.
There was the punishment (dog) cage, the agents put you in ~~for~~ - a cage
that you would only put a large dog in. I was unable to stand up or to
stretch out my legs at all for hours.

I have lost some of the circulation in my right leg, both of my knees
have gotten weaker and more painful. My back is so painful it feels likit's
broken. I am unable to stand up straight and walk for any length of peri-
od of time.

I am sixty-seven years of age in geriatric decline, trouble ailing
disable(DPV, DPM), NOW I am even more troubled with reoccurring nightmares
of being hogtied and shackled in that slave-van and while I asleep the
PST agents run off the road and off a cliff. I see/feel myself crushed
upside down, mortally wounded and dying, my life senseless/LOST.

TABLE OF CONTENTS

1). STATUTE OF LIMITATION/TIME-BARRIER

Dates of charged events by the Ohio Adult Parole Authority occurred on 5-22-98 and 7-31-03 some 17 and 12 years ago; APA ONLY file its tolling State Warrants on 7-12-13 and 6-11-15. Pages 2

Retroactivity of charges. APA agents on 7-12-13 and 6-11-15 went back in time and retroactively charged petitioner as a Parole Violator and subsequent Release Violator. APA agents failed to define the distinction between a PAROLE VIOLATOR AND RELEASE VIOLATOR. Pages 4

6). APA'S DEPUTY ADMINISTRATOR GAIL A PRICE'S DERELICTION OF DUTY

In Due Process Denial Ms. Price failed to provide petitioner with a copy of her 11-24-92 dated "PAROLE INSTRUCTIONS": FAILED TO PROPERLY SERVE, adequately notify and explain the terms of her Instructions; her instructions were "SENT BY: Xerox Telecopier" (Whatever that is?). Pages 5

7). "DEACTIVATED PAROLE"

Per Ms. Gail A. Price pre-parole 11-14-92 dated "parole Instructions" "Deactivated" petitioner's parole nine days prior to his 12-2-92 dated in-custody parole departure to Arizona and thus petitioner has never been an Ohio parolee subject to revocation/sanctions/reenslavement. Pages 6

8). CONFLICT/CONTRADICTION; DUAL ILLEGAL HYBRID PARALLEL PAROLE

A). On 8-17-92 the Parole Board granted petitioner parole under "Special Conditions to his Detainer ONLY. WHEREAS, three months thereafter in countermand on B). 11-14-92 Ms. Price via her "parole Instructions" indicated that petitioner was released to Arizona's custody. Pages 6

9). TWO-YEAR MINIMUM PAROLE OBLIGATION

Per Ms. Price 11-24-92 dated "parole Instructions" and not 23 years as petitioner is NOW being held to. Two years parole obligation long past

Parole Board Hearing Officer Marc C. Hauk on 8-5-15 and 8-19-15 conducted a (Kangaroo) Revocation Hearing regarding ancient dated (5-22-98 and 7-30-03) charges; and then in gross misfeasance denied petitioner's request for his mitigation witnesses and his right to confront the adverse witness.
