- DEPUTY COACH WOODHEAD TO BE PROVIDED WITH "TRAUMA THERAPY" MASSAGE

The disgraced former IPS Officer, Coach Shawn Woodhead, known as the "Deputy" to some of his badge wearing critics, will be allowed to partake in a new "Trauma Therapy" program the DOC will provide for the oxygen wasters. The "Behavioral Intuitive Therapy Cognitive Healing" or BITCH Program will help Coach Woodhead heal from the recent trauma he suffered when one of his "brothers" threatened to "slap the shit out of him." You see the disgraced IP could not mind his own business and tried to dictate how another guard should run his "area". The other guard immediately informed Coach Woodhead that he would revoke his deputy status with a fucking slap across the face. Woodhead cannot accept that fact that he is an Athletic Supporter and should stick to washing dirty balls and must run his pickle-puffer and get in other peoples business in an attempt to feel like a real cop. Upon the issuance of the "Slap Therapy" mandate Coach Woodhead immediately snitched on his supervisor. He copped an immediate duece and said. "It was not my idea it was Marty's.", in an attempt to ward off getting slapped across his friggin mug. The department will also allow Coach Woodhead to attend another of its new programs. The "Radical Awareness Therapy" or RAT Program will allow Deputy Woodhead to process his feeling around his need to bitch up and blame his boss. Now you should hear this guy talk tough when he has his bitch button on his side and he is addressing some 70 year old con. You would think he was Brock Lesner or something. Now he may wear a Pink Wrestling Singlet from time to time but he sure ain't no tough guy. When a guard tells him, point blank, "I'll slap the shit out of you.", the Deputy of Ball Washing immediately tosses his boss under the bus and and covers in fear. What happened to that tough guy who bars old men from the gym or searches canteen bags? Bitch City that's what! Part of the BITCH Program will be for Coach Woodhead to receive a full body massage by Lt. Urine as well as a "Happy Ending" at no additional cost. Of course it is my job to make fun of all this stuff, that is what Free Speech Central is for, but the sad truth is that it is pieces of dung like this Deputy Woodhead who destroy any hope for rehabilitation in this wasteful prison system. He spends his entire day, on every shift, trying to satiate his low self-esteem by abusing those in his charge. When I worked on the docks as the Boss if my Boss said I had to drive a forklift for the day to to "understaffing" I just went and drove the forklift. I had a choice: I could quit. If I said "no" my boss would have fired me. When they tell a piece of crap like Deputy Woodhead that he has to supervise haircuts in the prisoner Barber Shop he calls the union, files grievances, and acts like a teenage girl. The problem is that the DOC can't fire him (a firing he has deserved for many years now). There is no accountability. He is a useless employee who creates crime and abhors goodness. All the suits and supervisors high-five each other, laugh and joke as they play computer solitaire, and your streets are riddled with crime and addiction; all products of a failed prison system. Deputy Woodhead needs to stick to ball washing while trying to avoid bitch slaps from his co-workers and we all need to to work toward a system of accountability which allows us to fire useless Athletic

Supporter. Ball Washer, Bitch Slap Recipients like Deputy Woodhead. Our Society needs "Therapy" after the trauma his work ethic visits upon it. Let him wear his Pink Wretsling Singlet in the unemployment line, DOC Badge tranished on his chect and IPS insignia embalzoned on his ass!

#### - TRUTH REMAINS STRANGER THAN FICTION / M.C.O.F.U. ELECTIONS

From the "Are You Shittin' Me?" file I have some starnge facts from the M.C.O.F.U. Executive Board elections. These guard union layabouts are plum out of their minds. Let me elaborate: One candidtate for "President" of this union of idiots uses as a "Campaign Claim" that no MCOFU members were "Indicted" under his watch! Are you kidding me? Can you imagine the best claims for his election must include that no guards were "indicted" for assaulting prisoners on his watch! This is the fucking guard mentality, this is why the system is fucked. Here is a direct quote from this badge wearing fools campaign promises: "I will vote to reduce the number of parties, golf tournements, raffles and poker tournaments..." Again, are you shitting me? All we can think of here at Free Speach Central is the Lt. Kim Urine "Poker Tournament" advertised with "Poke Her in the front, Lick Her in the rear!", and the Sgt. Bitch/Scott Tissue Invitational Golf Tournament. Nuts! One thing I did like in this Hose Bag's claims was that he would "rescind" the \$26,000.00 raise the current MCOFU President voted to give "himself". And why not give yourself a raise? It's kind of like when they investigate themselves, right? "We have conducted an investigation into our behavior and have determined we have done nothing wrong." And even our new "Young Nazi" Governor Chick Baker swallows it. Another candidate running for reelection as "Executive Secretary" of this abusive union makes some funny as shit claims as well. One of his badges of honor is that he was on the "Communicable Disease Committee"! What do they do? Are they responsible for conrolling harlots like Lt. Urine, CO Swiller, or Panties on the Wall Hasbeen? Another proud accomplishment of this oxygen waster was that he "expanded the use of chemical agents" in the prisons. Does he know the story of Lt. Smell-Her who as new shift lieutenant (in his mind 'New Sheriff in Town') got CO Hasbeen knocked out by an elbow to the face and then gassed a nonresisting prisoner all before noon on his first shift as supervisor? You gave this dolt "gas" and he used it on his first shift! He also got a female screw knocked the fuck out by trying to act "tough" after smelling her deep woods rut scent. Crazy! The funniest claim on his reelection attributes is, verbatim: "And... Coming in May 2016, The MCOFU Pipe and Drum Band". YOU CAN'T MAKE THIS SHIT UP! All I can see is Deputy Woodhead playing the male organ, Sgt. Bitch Playing the skin flute, and CO Scumlafia using Lt. Urine to play the Butt Bongos. Just envision them walking down Beacon Hill like the Revolutionary Trio of 1776! Are you fucking kidding me? One of your great union "accomplishments" is organizing the "Pipe and Drum" Band. I've got to get the hell out of this system. It is getting too crazy for me. It is fun to report on the madness but in all actuality we should be balling our eyes out at the tragic failure that is corrections.

This system is so ass-backwards that it is unbelievable it could go on unaddressed for so long. But the Union, the Boston Herald and Fox 25, along with the wolf-crying Republican Party have done so much with their "propaganda" "tough on crime" rhetoric that no one believes it is the guards, not the prisoners, who destroy the system. As these oxygen wasters "Pipe and Drum" down the street as part of the Gay Parade your children overdose, join gangs, and fall victim to the moral decline which is a result of the general lack of compassion and humanity. We here at Free Speech Central will work to expose MCOFU and the overall failure of the system; just stay tuned. Same Bat Time, same Bat Channel!!!

#### - TRIPLE A AUTO CLUB TO INSURE HIGHEST PAID TAXI DRIVER IN STATE

The "Triple A" (Assholes, Asexuals, and Airheads) Auto Club has agreed to ensure the State's Most Expensive Taxi Driver who just so happens to be employed here at ShirleyWorld. Lt. Shameless Peckerhead, who earned a whopping \$116,294.17 in 2015, will now be insured as he drives the Outer Perimeter Taxi around on the 3-11 Shift. You see good ole ball-muncher Shameless was very hard to insure after giving a dirty urinalysis test to the State Police all those years ago. He is such a fuck-up at work that he cannot safely be assigned to a real supervisory position so our very wise Queen of the Razor Wire Realm, Kelly "Rubber Stamp" Wry-On has wisely assigned Lt. Peckerhead to a "cop car/taxi" to patrol the Outer Perimeter of the prison and listen for gun shots which may cause a lock-down. This makes Shameless the highest paid Taxi Driver on the state books. Good money if you can get it. Triple A (AAA) decided to insure Shameless as he met all of their three categories; he is a super Asshole, can find a boyfriend so is Asexual, and his Penis Shaped head is certainly full of air. This is the DOC; keep employees who cannot do their jobs for years and allow them to burden the state financially at an exponential rate as each year passes. No accountability - no ability to terminate these assholes like Peckerhead. They promote them and allow them to destroy the system. You think DeNiro was sick in Scorsese's Taxi Driver movie well you ought to see this dolt trying to run a prison as Shift Lieutenant. Even his own guys cannot stand him. When he walks away they all laugh at him and tell stories about his follies. Well at least he can now rest easy in the Cop Car as he patrols the perimeter fence listening to the live version of the Village People's YMCA and dreaming of being the Police Officer in the band. We think he would make a better Indian, Chief Peckerhead perhaps, as he certainly in gets a heap big tee-pee full of wampum for being a super fuck-up!

#### - A COUPLE MORE OUTRAGEOUS 2015 SALARIES ARE IN

We are sad to report here that our ShirleyWorld prime example of "I never got to keep my lunch money in High School" self-hater Darel Oh-Yea (When folks ask, "Is he an Asshole?", the response is always "Oh Yea!") earned \$86,309.08 to be in charge of T-Shirts and Boxers and our finely coifed Director of Overclassification Janice Paris-Hilton earned \$81,934.00 for making sure men never made it to Pre-Release. Just thought you should know! Viva Free Speech!!!

More To Come...
