The State of WI. v. James  
Terry CASE 98CF2416 IS A

WRONGFUL conviction of an innocent man.

17 years & counting erroneously imprisoned  
for crimes I never committed. Please come  
to the rescue helping an indigent minority  
overturn a 35 year miscarriage of justice.

Netflix documentary "Making a Murderer"

Steven A. Avery had a settlement \$400,000  
prior to trial. Unlike him I can't afford to  
hire Attorney Kathleen T. Zellner.

Philanthropist: Research pages,  
promote inmate literary effort,  
donate generously & correct an  
injustice. How am I to earn  
\$400,000 & acquire equality?

The laws mantra: It is just  
as important to free an innocent person as  
it is to convict a guilty one.

To whom it may concern;

Doing my best to remain strong.  
Difficult to in this environment where  
there are so many criminal insane &  
social paths.

My problems amount to not  
being able to magnify my voice to  
a volume that receptive people in society  
not only hear but respond to my loud plea  
for mercy.

I've nobody in my life. I don't  
receive personal letters or have financial  
opportunities to earn a living.

Thank God my hands are clean.  
Battling with suicidal tendencies quietly  
in secret all of my life. Greatfully this  
travesty of justice has taught me true  
perseverance. Send me a letter of  
hope to: James Terry 373986, WSPF, Pub
