

STRANGERS

*"As Cedric Robinson has been telling us for three decades, as Amy Cesaire said over six decades ago, the NEGRO WAS AN INVENTION, A FICTION. Like the 'Indian,' like the 'Oriental,' like the 'Mexican.' Fanon wrote about it in *Wretched of the Earth* when he said, 'IT IS THE COLONIST WHO FABRICATED AND CONTINUES TO FABRICATE THE COLONIZED SUBJECT.' This doesn't mean the colonizer, through the sites of his weapon, doesn't recognize a lot about who we are and what we can do..."*

*- Robin D. G. Kelly
Ibid.*

How is it possible, that although - - YOU, I, US & WE - - are the descendants of the SAME ANCESTORS; which logically means we have the same history, traditions, customs, heritage, pain, experiences, enemies, STRUGGLES; that YOU, I, US & WE see and treat each other as...TOTAL STRANGERS? Could it be, that we've built FALSE BARRIERS/WALLS which are rooted in DEEP ALIENATION?

What I mean precisely by "deep alienation," is how conditions exist in OUR HEADS, 'HOODS and HEARTS; which cause YOU, I, US & WE, to ILLOGICALLY think and act and push in a way that is motivated by SILLY DIVISIONS, i.e., a great EMOTIONAL and MENTAL DISTANCE from other brothaz/sistaz simply because he's not representing the same GHETTO-HELL/COAST/'HOOD that you're representing. In truth, the 'Hoods one "reps" are the damn CONTROLLED GEOGRAPHY/LAND OF THE WHITE MALE ruling class who utilizes HIS courts, laws, popos, prisons, etc., to SNATCH YO' AZZ OUTTA THE 'HOOD and LOCK YO' AZZ TIGHT IN AH CAGE!

But, what's real strange or a serious trip is how MOST pretend as though they don't even realize that THEY'RE LOCKED IN A MENTAL-EMOTIONAL CAGE...as shown and proven by the fact, that while playing in the street-life/'hood-genocidal games, YOU, I, US & WE, pushed in a way that made US PRISONERS to certain beliefs which caused us to view and treat each other as - - FOES.

This form of alienation, is so STRONG or POWERFUL; most of those whom push this belief system remain deeply BRAINWASHED, i.e., they're/you're a SLAVE/PRISONER to a way of looking at life from the sad and INSANE standpoint that brothaz whom aren't from their area or the geography in which they're UNDER WHITE MALE CONTROL, aren't of "them!" Yeah, brothaz in the 'hoods/cells CONTROLLED BY WHITE MALE AMERIKA, see and treat others as just that, "OTHER," i.e., as STRANGERS to hate, dislike, plot against, distrust, fear, go through the motions of fake azz "unity," not support, disrespect, etc.

How does this type of thinking and push make any damn sense, if in fact one is functioning on the level of a RATIONAL MIND; and with the COLLECTIVE HISTORY and INTERESTS of his/her people at the forefront of their minds or sincerity in their hearts? Why do YOU, I, US & WE feel the inordinate need (PATHOLOGY) to DIVIDE OURSELVES based on this or that individual/group not being from the same area/ghetto-hell or doesn't push the same PSEUDO-TRIBE? "Cuzz, I don't fuck wit' that/those ni**a(z), he/they from MASTER WASHINGTON'S PLANTATION." "Blood, I don't fuck wit' that/those ni**a(z), he/they from MASTER ADAM'S PLANTATION." "Folks, I don't fuck wit' that/those ni**a(z), he/they from MASTER JACKSON'S PLANTATION," "etc., etc. What does all these have in common? The damn PLANTATION BELONGS TO THE MASTER CLASS, JUST AS DOES NEW PLANTATIONS CALLED THE GHETTO/'HOOD/PRISON ARE THE RULING CLASS MASTERS' i.e., you're/we're a SLAVE no matter which of the master's plantations you're/we're on!

To "rep" the master's plantations and to push DIVISION among ourselves over HIS/THEIR plantations, is to be INSANE and of a CHILD'S HEART & MIND, period! It's the same thing as far as claiming SPACE in the masters' PRISONS on the basis of DIVIDING OURSELVES, while being right next to other groups that we're ALIEN TOO...We distrust, fear, dislike and have concerns with these groups, yet, it's intensely so amongst ourselves. The real source of our DEEP SENSE OF ALIENATION, is the result of IGNORANCE and MISGUIDANCE.

PICTURE THIS:

You see a new Black dude comin' through the prison gate with his property whom you've never seen or don't know. Until he's either seen associating with a certain group or you overhear him say "cuzz," "blood," or "folks," he's just another "Black/brotha," right? But, as soon after YOU, I, US & WE, realize which group he pushes/runs with, WE LUMP HIM IN A CATEGORY. Why? Because it's OUR WAY OF THINKING BASED ON DEEP DIVISIONS WHICH HARM US ALL. If he's a Black whose not part of one of our pseudo-tribes, then, he's basically ON HIS OWN or ALONE, i.e., without real love or support. In other words, YOU, I, US & WE, throw up immediate MENTAL, EMOTIONAL, and PHYSICAL BARRIERS AMONGST OURSELVES. We make each other STRANGERS, by only seeing and treating things based on a PLANTATION/'HOOD PSYCHOSIS.

Last time I checked, WE'RE ALL FROM UP NORTH; as our grandparents/parents were forced to flee the Jim Crow South (lynchings, bombings, peonage, etc.) for purposes of escaping deeply rooted racial segregation so as to improve our life-possibilities. Yet, YOU, I, US & WE decided to turn right around and SEGREGATE OURSELVES on the basis of GANGS and 'HOODS.

This nonsense is even done WITHIN the pseudo-tribes as well since we FEED OFF DIVISIONS like vultures feed off dead animals and no, there isn't genuine unity/love as in reality for the most part it's all a DANGEROUS FACADE as far as our being "together" when it comes down to other races, i.e., in every group MOST are FAKING THE FUNK! Giving phony ass handshakes and embracing each other, then walk right off speaking and thinking negative shit towards this or that so-called "cut" or "uncut" individual or group. Why is this

PRETENDING (- "PSEUDO") done? It's because people have been taught to PLAY GAMES/POLITICS, in order to conceal their true motivations and feelings.

In other words, most are simply following the CROWD like a bunch of blind wild beast runnin' right off a cliff - - HEAD-FIRST! They're copying - - "MONKEY SEE MONKEY DO!" - - the TWISTED EXPECTATIONS which have been drilled in their heads by those whom have thrived off being perceived a certain way or whom want influence - false-power. As most of us don't even know each ^{other} WHY is it most believe/feel that they MUST do and think just like the CROWD of total strangers which they run with? Could it be...FEAR OF BEING SEEN A CERTAIN WAY BY THOSE YOU THINK WILL TREAT YOU LIKE AN OUTCAST OR LIKE YOU'RE NOT "TURNED-UP?"

"He ain't active!" What, an "active"...FOOL?! Why do YOU, I, US & WE give so much POWER over how we THINK and ACT to those whom are STRANGERS? Is it because of the fact that YOU, I, US & WE feel we cannot survive without or need a group to back us? Is it because we're worried about other races/groups? Is it because of the fact that YOU, I, US & WE have BUILT UP FALSE LOYALTIES based on FAKE BELIEFS which we "rep" with mainly total strangers? What real sense does it make for a person or group to be more closer with a person/group that isn't from the same area (e.g., didn't go to the same schools, parks, parties, etc. with you) as you or the group you push, but those whom you've actually went to schools, parks, parties, etc. with and whom you KNOW, you/the group you "rep" AREN'T close or tight with/them?

I'm referring to individuals/groups whom are NOT either what you push, but instead are "opposite;" yet, YOU'VE KNOWN HIM/THEM MOST OF YOUR LIFE - - WHY DO YOU PERCEIVE AND TREAT HIM/THEM LIKE STRANGERS TO OPPOSE?

"...You wouldn't need to FABRICATE ANYONE if the object of resistance wasn't a THREAT. The very foundation of Western civilization are BUILT ON THESE KINDS OF FABRICATIONS. Once those fabrications CRUMBLE, so goes Western civilization's CONCEIT and the MASSIVE PHILOSOPHICAL SMOKESCREEN that enables RACIAL CAPITALISM. That is, the smokescreen that hides the fact that you're talking about the GREATEST, most DESTRUCTIVE, most VIOLENT CRIME WAVE IN HISTORY. That's what Western civilization is, as it masquerades as an engine of progress, as a pure expression of human liberty, as the only path to human emancipation. In some ways, if we leave it at Black Lives Matter only, we ^{only} intentionally mask the crime. The entire structure of GLOBAL WHITE SUPREMACY DEPENDS ON THE INVENTION OF FICTIONS..."

- Ibid.

What was just stated in the above quote? "You wouldn't need to fabricate anyone if the object of resistance wasn't a threat." Could that "object of resistance" which represent a "threat," be YOU, I, US & WE? If yes, then could the reason for the FABRICATION of Black/New Afrikan GANGS/GANGSTERS - those whom function as profound STRANGERS; was/is to divert our focus from THEM, i.e. the global white supremacist system which DEPENDS ON THE INVENTION OF FICTIONS in which Black gangs/gangsters surely are?

Yep, Black "pseudo-tribes" are in all reality and on an ultimate level, just that: TOTAL

FABRICATIONS IN WHICH SOCIOECONOMIC AND POLITICAL CONDITIONS ROOTED IN POVERTY, JOBLESSNESS, ILLITERACY, LACK OF OPPORTUNITY, RACISM, CAPITALISM, ETC., OPERATED TO FOSTER OR GIVE BIRTH. The GANG DIVISIONS/GANGSTER-ORIENTED GROUPS which exist amongst US, are indeed rooted in and thus driven by, an INVENTION that is reflective of a FICTION, which white supremacy and capitalism DEPENDS ON. It is ONLY by how YOU, I, US & WE respond to Western civilization's CONCEIT and MASSIVE PHILOSOPHICAL SMOKESCREENS, that shall decide whether we give "life" to their fictitious creations as IS the Black GANG(STER)S.

You see, just as Dr. Frankenstein fabricated the MONSTER - - "FRANKENSTEIN" - - so too, were fictitious creatures fabricated in our realm such as the pimp, player, gangster, capitalist, etc. This was/is done in order to DIRECT our MINDS and hence BODIES down paths which aren't THREATENING to global white supremacy, but "once those fabrications CRUMBLE;" then the reality of our need to RESIST prevails since their conceit and massive philosophical smokescreen(s) no longer exert power over us. Just as when the monster Frankenstein came to the realization that, it was the fabrication of Dr. Frankenstein's design towards serving his ends and rebelled, we'll refuse to go on being or acting like SOULESS CREATURES, i.e., being the programmed creations of our oppressors by thinking and conducting ourselves on the basis of a FICTION as the TOOLS for our ENEMIES' pathological desire for...POWER OVER.

There isn't and can't ever be any genuine sense of "COMMUNITY" or "PEOPLE-HOOD" amongst YOU, I, US & WE/OUR PEOPLE, by our seeing and treating each other as total strangers, even as in truth we're far from being UNKNOWN to each other since there is a COMMON HISTORY, EXPERIENCE, HERITAGE, ANCESTRAL LINEAGE, MINDSET, SENSITIVITY AND RESISTANCE STRUGGLE WHICH EACH OF US ARE INTIMATELY TIED.

So, let's put in the work needed to build the conditions for a RETURN to a sense of COMMUNAL CONCERN and AFFINITY, i.e., grow to embrace and represent OURSELVES as we do Watts, Compton, Pomona, Oakland, Fresno, New York, Texas, New Orleans, Washington, D.C., San Diego, Chicago, New Jersey or Sports Teams. By doing so, WE'D POSITION OURSELVES TO CREATE LASTING AND DESPERATELY NEEDED UNITY...NO LONGER STRANGERS IN A COUNTRY WHERE ONLY WE CAN MAKE BLACK LIVES TRULY MATTER...

IT'S UP TO MEN OF HEART!!!!
