Hello!

It's been a very long time since I wrote anything. As of today I have 10 months and 10 days. I am very excited!

I have been wanting to transition housing in Jacksonville Florida. I plan on staying in Jacksonville or Tallahassee Florida. I need to find housing assistance. Anyone who can help me I would appreciate all help as possible.

Will write more later. Hope to hear from you! I have enclosed a picture of its recent I don't care for it to much!

Respectfully,  
mischelle
