Dear julie\_ann\_morris@hotmail.com,

Thank you again for leaving such powerful comments. Ronnie Johnson is one of the nicest men you could meet. He literally shuffles by my door five times a day, many times stopping to talk "revolution" with me. Your help in getting his story heard is invaluable! Thank you.

Let's schedule our visit for Saturday, March 5, 2016, at 1:00 pm. I will very much look forward to speaking to you about plans to move forward and make a difference here and beyond. Please confirm when you have a moment. Contact me directly by "snail mail". Thank for all you do!

In Solidarity,

Timothy J. Muise
