"I SAY/BITCH BAD/WOMAN GOOD/LADY BETTA/HEY, HEY, HEY!"

- - Lupe Fiasco

Are **YOU** at **WAR** with our...**SISTAZ**?

Well, the hell wit' it, I guess I do side with y'all pimps, playaz and so-called "Gs" afterall. Yeah, I can't "hate" since y'all are on point when y'all say "Ah bitch ain't shit!" I agree..."FUCK AH BITCH!" Oh, I almost forgot to say - - "WE DON'T LOVE THEM HOES" & "M.O.B.!"

What can a FOOL do for our folks in terms of the struggle for liberation and true justice? No doubt, our race does in fact have real-live "PUNK-BITCHES" and they're those supposed "black men" (really BOYZ at heart & mind) who are at senseless "war" with our sistaz, as if they're the cause of our 'Hoods' many problems, even as in reality, it is OUR WOMEN whom are holding down our families by taking care of - - US!

This is so, while BOYZ who are FEARFUL of CHANGE and REJECT TRUTH; don't lift a fuckin' finger to deal with the cause of those problems which negatively impact our 'Hoods'/Families. One thing that they do real good...IS BITCH!!! Why aren't we shameful by our pathetic and divisive thinking regarding HOW OUR ENEMY TAUGHT US TO DEFILE OUR SISTAZ? Fools with pimp facades have been hit in their fat lips by the "Adam & Eve" MYTH, which has worked wonders to POISON their psyches and to influence them to conceive of WOMEN/FEMALES as the originators of..."SIN."

"The Bible told us that every girl is...SOUR."

- Lil Wayne

Brainwashed and slavishly holding onto ideas which teach that our AUNTS, MOTHERS, SISTERS, DAUGHTERS, GRANNIES, ETC. are inferior since SHE doesn't possess an "ALMIGHTY DICK!" Where would "YOU" (MALES) be had not a WOMAN bore ALL OF HUMANITY? Science has proven that it was a Black woman - - "Lucy" - - that gave birth to the first human beings. Women, those which you in your ignorance believe are "beneath yo' dirty feet" and forever "cursed" by the blood of their wombs that nourishes and gives...LIFE.

Queen Latifah made a song that rightly asked: "WHO YOU CALLIN' AH BITCH?" The way I view things, a real "bitch" or "ho" is ANY-AND-ALL Black "men" who stand by and does nothin' to BUILD, PROTECT, FREE and STRUGGLE for our race. "Hoochies," "Bitches," "Hoes," etc., the degrading names given to DEHUMANIZE females/women, are proudly embraced and expressed ("FELT") by those BOYZ who don't have any real sense of OUR HISTORY and who don't grasp the SACREDNESS of WOMEN/FEMALES.

How many "men" could endure the PAIN a female experiences when bringing LIFE - - YOU - - into this world? How brave, cool, etc. must one be to treat and view our sistaz in a degrading light? How WEAK are YOU for believing that women/females are somehow "men's private property?" How is it logical and possible that upon you becoming "18," that your mother, then, became inferior to you simply because she's a female and you're a "man?" Why isn't it very strange, that in terms of how YOU see and treat our sistaz is just like Nazis/KKKs see and treat their and our females/women?

What's the difference between YOU and a RACIST or a SEXIST? One hates a race for their natural skin color, and the other hates a gender for their natural sex. As Black men we should be those who really identify with the logic that HATE IS HATE...BE IT DIRECTED AT OUR RACE OR OUR SISTAZ. By showing deep disdain towards our females/women. WE AID OUR ENEMIES IN PUSHIN' DIVISIONS BETWEEN US AND OUR SISTAZ.

Maybe I'm just confused on this point, huh? Do you derive "pleasure" or "power" from referring to our females/women by terms which demean and denigrate them? I don't know your MOMMA, DAUGHTER, GRANDMOTHER, ETC., so am I foolish to believe that because I don't know them, that means I have the right to view and treat - - call them - - by negative words like...BITCH? If I respect you or you're my homie, WHY WOULD I THINK AND ACT DISRESPECTFUL TOWARDS YOU BY REFERRING TO, IN ESSENCE, YOUR DAUGHTER AS A BITCH BY THINKING AND ACTING AS IF FEMALES/WOMEN ARE BITCHES AND HOES?

I mean, what real sense does it make for a "man" - - YOU - - to say and think in terms of "I don't know her, so she's ah bitch or hoe:!" When ~~I~~^{may} not know ~~my~~ your female loved ones, does that, then, mean I have a right to disrespect them? Also, if you have a tight homie/homeboy that has a daughter and you have a son, doesn't that mean that your son will probably grow up viewing and referring to their daughter by the bitch word since YOUR SON WILL FOLLOW WHAT IDEAS YOU PUT IN HIS HEAD BY WATCHING AND LISTENING TO YOU? Why do brothaz act as if they're going to die or have a fuckin' heart attack if they STOP referring to sistaz by such DEHUMANIZING words?

What gives us the right to degrade our sistaz? Again, maybe I'm just too square and confused and need to relate to the fact that your deep desire to "drag" our women around by their hair and relegate them to some damn "cave-woman" should be respected, huh? Was Rosa Parks, Betty Shabazz, Harriet Tubman, N'Zinga, Yaa Asante Wa, etc., bitches and hoes? What about Assata Shakur, Winnie Mandela, Angela Davis, the three beautiful and caring sistaz who started "Black Lives Matter" - - TO HELP STRUGGLE AGAINST BLACK MALES BEING MURDERED BY PIGS - - are they...BITCHES and HOES? I guess you feel Rosa Parks should've shut her mouth and sat at the back of the bus, when she STOOD STRONG TO FIGHT FOR OUR CIVIL/HUMAN RIGHTS...WHILE ALL YOU DO IS BITCH ABOUT SHIT, HUH?

Who's lookin' out for you? I bet it's a BLACK WOMAN. My basic point is, simply because we're TRAINED to think in negative terms doesn't then mean we must remain TRAINED this way; since we CAN RE-TRAIN ourselves to think and act positively towards our females/women - - IF WE GROW TO TRULY CARE. We as Black males/men must learn to SHARE the "apple" said to have been bitten by "Eve," since it is there in the apple where our essence is found, as is HER'S.

"BITCH BAD/WOMAN GOOD/LADY BETTA/THEY MISUNDERSTOOD."

* Patriarchal – a distorted and un-evolved mind-state which perceives the FEMALE (WOMAN) PRINCIPLE as INFERIOR; and on this basis MAN/MEN design and promote SYSTEMS/DOCTRINES (E.G., THE BIBLE, QURAN, CAPITALISM, SAUDI ARABIA, ETC.), to subordinate HER.
