Hey Babe,

I just today (2-18-16) received your most welcomed comment. Knowing your there blesses my soul. It's now been 36 years we've known each. It's amazing that we've never not been friends. 😊

You are an amazing person who has blessed me with the gift of our precious son. When you could of just moved on you persevered and worked hard to keep me and my son linked. You allowed me to speak into his life when I'd forfeited the right. I owe you much.

~~Do~~ You are often in my prayers and a thought of you brings a smile. My prayer is that through Him we'll have eternity to spend being friends.

God Bless you with an awareness of who He is and all He's done to assure us all of a future and an eternal hope.

Dona, I loved you then, I love you now. May you + yours be blessed in Christ - Amen.

Love + Prayers
