

The Human Rights Coalition Presents...

23-Year(s) Of False Imprisonment And Tainted Conviction At The Hands Of Philadelphia District Attorney's Office Jerome 'Hoagie' Coffey

-PROSECUTORIAL MISCONDUCT, is an illegal act or failing to act, on the part of a prosecutor, especially an attempt to sway the jury to wrongly convict a defendant or to impose a harsher than appropriate punishment.

PRESS CONFERENCE MARCH 3, 2016 10 A.M. - 12 NOON

(In Front Of The Philadelphia District Attorney's Office)
3 South Penn Square Philadelphia, PA.

-HUMAN RIGHTS COALITION hold responsible former Philadelphia District Attorney Lynne M. Abraham to re-address Mr. Coffey's tainted conviction 23-year(s) ago under her Administration. For example,

- Tainted photo spread used for identification
- Prosecutorial misconduct
- Fabricated evidence
- Judicial misconduct
- Unreliable F.B.I. informant
- Hoagie's name came up through a rogue Police Officer
- Affidavit of probable cause was tainted
- Police Officer and Prosecutor forge a subpoena
- Jury selection/verdict/deliberation and crucial testimony of transcript(s) are missing

RE: Commonwealth v. Jerome Coffey, CP-51-CR-0441911-1993

Dear District Attorney Seth Williams:

We the Human Rights Coalition call for the Philadelphia District Attorney's Office to reopen the tainted conviction of the above-captioned case due to deep-seated concern(s). For example, (1) crucial exculpatory trial transcripts was removed from official records oppose to missing [emphasis added] (2) prosecutorial/police/judicial misconduct [emphasis added] (3) unreliable federal informant [emphasis added].

In closing, we the Human Rights Coalition *request* that your office will reopen the tainted conviction against *Mr. Coffey* and correct this miscarriage of justice 23-years later.

Respectfully yours,
Human Rights Coalition

CC. Honorable Sheila A. Woods-Skipper (President Judge)
