Hey Rea, thank you for your kind words. Yes, it is hard, but I'm doing it and I'm not giving up.

Rea, this blogging thing is still new to me, so I have a couple of questions. First, my initial letter of Sept. 23, 2011 is no longer correct. I'm now 60 years young and my address has changed to Sing Sing Corr. Facility, 354 Hunter St., Ossining, N.Y. 10562. How do I change my initial letter? Second, how long can blogs be, how many pages at one time?

Rea, I also submitted a new blog which had to do with my Wicca religion. Did you receive it and was it posted?

Thank you Rea, hope to hear from you soon.

Bright Blessings.

Henry
