Lisa, how time flies like an arrow and fruit flies like bananas as Mouchomark was fond of saying.

May this letter find you in good sorts. Where in the U.K. realm do you hail from. Are you a royal? What is the equivalent of a female knight called? In the UK realm there are Royals and Commoners. In the U.S. realm are Wealthy and Poor. Class divisions based on tradition and economics. Become wealthy + popular and get knighted or become wealthy + popular + become a politician + possibly president. Media in the U.S. portrays the heir to the throne + his wife having little or no contact with non-whites and making no comments of commiseration when a non-white youth or adult is suspiciously whipped + beat or shot by police. Not so for victims who are white. How long does it take a broken spirit to kill a body?

And so:

Creator's Laughter

What is this precious love and laughter  
Bubbling in our hearts?  
It is the glorious sound  
of a soul waking up!

Knowledge of Creation is the food of Angels  
and food for thought for humans.

Needing A Mirror

Your  
eye  
is so wise  
It keeps turning, turning  
Needing to touch  
Beauty  
It keeps turning  
Needing to find a mirror  
That  
will caress you.

Over Standing

To know someone here & there  
with whom there is a feeling of  
overstanding, in spite of thoughts  
or distances unexpressed, that can  
make of the earth a Garden.

Find A Better Job

Now  
that  
all your worry  
has proved such an Unlucrative  
Business  
Why  
Not

Find a Better Job?

Crooked Deals

There is a mad being  
inside of you  
who is always running for office  
Run, Run Run  
Why vote them in,  
For they never keep the accounts  
straight,  
and get all kinds of crooked deals  
happening all over town  
that will just give you a big headache  
and glue to your kisses  
A gigantic  
Confused  
Frown.

Care to discuss the poems I'd enjoy hearing from you. I am comfortable in the belief that hearing from you by letter would not be reason to be perplexed or have a feeling of aversion. I welcome you to find joy in one or more of these poems. I regret not being able to enjoy a conversation with you.

Tempered Optimism  
Paul Mitchell

Adventures in Black Sunshine  
The Sun Never Says

Even  
after  
all this time  
The Sun never says to the earth,  
"You owe Me,"

Look  
what happens  
with a love like that,  
It lights the  
whole  
Sky.

Message in a Bottle  
Tell Me Why
