

- Vampire Blues -

Every morning
when I awake

A world

I cannot live in

Dies

Roland 3/13/16

- Snip -

She does nothing
to help me

Survive

a world with out her

Roland 3/13/16

- Give it to him -

I knew the moment I stopped hating you
I was finally done accepting the shit you
consider love.

Roland 3/13/16
