You are hereby notified that the Court has entered the following order:

---

2015AP415

State of Wisconsin ex rel. James Freer v. William J. Pollard

Before Kloppenburg, J.

Appellant James Freer, pro se, moves to stay this appeal. However, Freer has not explained why a stay of this appeal is necessary or appropriate. So far as we can tell, Freer is asserting that the State has engaged in deceptive practices and misled Freer in some way, and that two assistant attorneys general share a conflict of interest. Nothing in the current submission indicates why a stay of the appeal would be warranted.

Therefore,

IT IS ORDERED that the motion is denied.
