**PLEASE YOUR FAMILY AND FRIENDS TO
VISIT THE FOLLOWING LINK:**

jerrybrown.org/we_need_your_help

He is trying to get an initiative on the November ballot. He has asked us to let our families and friends know to visit this link and support him in his battle to get signatures. His initiative will help every one of us to not only get an early parole but also expand time credits to everyone regardless of their crime. Although he hired a signature-gathering firm, he is asking our families and friends to visit the link and click “contact campaign” in order to help.
