Caring for other's

Why are, the residents of (Flint, Michigan) struggling to obtain safe water period; knowing that's one of our natural resources it's ludicrous, this day an age for those people to experience something similar to the (hunger games) far as there officials allowing them to have to endure that type of cruelty and the toxins in the water kids were affected by stupidity, I hear you Flint, Michigan cause we're suppose to be able to have a peace of mind concerning drinking  water, this is the (United states of American) my prayer's has been going out since day I much lov Flint!!!!!!
