well, a few things about me I'm the oldest of six siblings, I love reading, writing, working out and listening to all kinds of music, I also love watching all sports. I have one daughter, who is about to turn 15 yrs old. she is what drives me to keep fighting everyday. I have a great support system, a host of friends and family members who show unlimited amounts of unconditional love. I have been in one other prison before i was moved here, I wasn't there long only a couple of months. where did you live while you stayed in the U.S.A.
