DEAR Ms. Emma

Thank you for your encouragement

And kind words. Guess what I had the footprints in the sand in a picture frame up on my wall in my living ~~room~~ and bathroom. When I use to get down I would read ~~that~~ those words. Also thank you for the two things you recently heard. Very encourage to know that people are being loving and kind to others. Cause I believe each of us was put on earth to love and help others.

Concerning the packages. Our packages are

paid for through this company called access. We have order forms. ~~The~~ The person sends the money to the company that we order. The company send us the items that was order. So if you where to get me packages. You just send the company the money in they send the items to me.

However I do need packages. But right

now the focus is getting media coverage for my legal case. I am need of lawyers, medical examiner and private investigators. In order to get the help I need. I am going to have to pay this company [Compais @ Inmate Connections.com @ Social Networking](#). I desire to run everything on this site for two years. In order to get results. I would need to hook a lot of app to it. ~~Not~~ Not only that I am trying to get my ~~pe~~ Books publish and more people involved in my writing. Social media will do that for me. Ms. Emma can you and some friends raise \$2000 in send ~~the~~ a postal money order to Inmate Connection LLC / 465 NE 181st # 308 Portland, Oregon 97230. You would write fund for Jennifer Johnson Personal ~~web~~ and legal web.
