

Driving towards Employment

Those of you who read my Blogs or Even know me through writing know I am doing Everything in my Power to better my Opportunities for Employment for a more Productive and Promising Release. I used to drive Trucks for a Living and Since My Incarceration My License has Expired I'd Signed up for a Truckdriving Class to take advantage of My time and Prepare for My Release. So when I got out I'd Immediately be Eligible for a Job with a Promising Wage to get on My feet unfortunately that dream was erased finding out I had old Ticket Citation Fees for old Tickets that could not be taken care of usually we are allowed to request time served I did this and resolved the warrant issue unfortunately I have Citation Fees Preventing me from what I had really hoped on Planning and Succeeding in My Goal. Its so discouraging because I do not have the funds to pay such a fee more do I receive any Money. If one State paid for one work I would without Doubt Sacrifice for My

Future but they don't i. and I don't know what to do. I'm reaching out to you. Attached is a copy actually original letter sent from the Dallas Courts

2014 Main St. Dallas TX. 75202 # 214-670-0109

Its Important if you decide to try and help to call to Inquire the Balance at this point I have 8 citations

at \$30.00 a piece #'s (0002070900) (0002070893)

(0002071080) (0002071086) (0002071087) (0002076469)

(0002076467) (0002076468) totaling \$240.00

To My Understanding all the information you would need

is my name Teddy Joe Drake DL # 15856308 last 4

SSN # 8917 and might could work out a plan if you

do decide to assist I would surely like to know

who you are to Thank you because it would mean

so very much to me and to let you know along

the way how everything goes theres nothing more

that I could honestly hope for than the opportunity

to resolve my citation fees and get enrolled once

again being a Trustee Grants me priority in

enrollment because you cant take this class otherwise

A lot of you may wonder why I just don't wait to resolve it all when I am released. First and foremost when I do make parole I don't have an address to submit. I'll be homeless and have to stay in a shelter or halfway house. I really don't have family support and this is the cheapest way and best time to take the class because the class does charge but it will be charged to my parole fees so I can make payment plans. It's the perfect opportunity upon my release I'll have a Birth Certificate, SS card and a valid Class A License for immediate employment. I could receive a job in as little as a week's time. There's nothing I can't do in a Truck, Dump truck, Cement Truck, etc... I have first hand experience. I learned everything I could to give me more advantages in employment that I take pride in. This means a lot to me or I would not even write and ask for all of your help.

Sincerely;
Teddy
