Dear Amnesty International

Greetings! I'm trying to get an education, GED, and better myself, Procedure 501.106 section (2) (e) allows death row inmates to get an education but the Bureau Chief of Education has to approve it.

Now the Assistant warden MR Edwards was going to allow me to get my GED, some one up top said because of something SAPP put in to practice, they couldn't allow it. But whatever it is, can't override the rules.

What I'm hoping you will do is, write and make calls on my behalf to get them to allow me to get my education and better myself.

Please, I need all the help I can get. They have secure one man cells that take's any security issue out of play.

I'm pleading with A.I. to assist me. Thank you very much for your time and hopefully your help.

Sincerely
Ronald W. Clark
