

F A S C I S T W H I T E J U D G E S

We live in a godless criminal country where the whiteman ruthless rules over the blackman is cruel, vicious and vile with an iron fist and a nazi boot.

the great despot, the **GREAT SATAN, THE Great Great AMERI_KKKan** evil empire is in economical troubles as always and hopefully at its end; so as always cowardly fascist whites has resorted back to human bondage, re-enslavement of the blackman, 21st centurt slavery; legal lynching all to provide do-nothing ass jobs for other lazy ass racist white KuKluxKlan members. With lazy mentally retarded whites once again living off of the death, dying and misery of the blackman to feed him and his worthless families; all parasites, to lazy to get up off their foul ass and find a real job; but of course it makes the whiteman's pussy wet killing and living off the blackman, it is every white persons dream and sole ambition; to kill a ninja. That is why white boys will do and say anything to be a pig, carry a gun and badge and authority over the blackman, so he'll feel superior whereas, in reality he knows he's a piece of shit a nothing and no-body/

There are those who feel sorry for the disease, perverse whiteman and that he is ill and his atrocities and domestic war crimes against his fellow citizen, the afri-Kan ameri-Kan Blackman..

While I sit here in this concrete and steel tomb, this cold hell, looking out at the neo-nazi/fascist guard; blue eyed devils; with those smirks on their faces; the whiteman's pussy is dripping with power of his torture and abuse of the blackman; realizing that he would be nothing without the blackman to lie, murder, abuse, kill and enslave; and those who work in prison are the drege of society, the scum of the eath.

black martyr; SPEAKER OTIS

It is so sad that the greatest accomplishments of the dog-ass whiteman is lynching, killing, enslaving and torturing blackmen; ONE DOESN'T WHETHER TO LAUGH OR TO CRY; what the entire world know about white ameri-KKKans is tha they are trained liar, trained lying hyennas, the red-man discovered that centuries ago.

PRIMITIVE SAVAGES

"WE" have been waiting for four hundred plus years for diseased-whites to evolve, to grow up as oppose to growing old; evolution of decency and justice in the conscience of the savage; there is as everyone of age knows thhere is something seriously wrong with the whiteman; with his logic and moral thought process.

Whites have lived among blacks for centuries, yet the soul of a man has not rubbed off on these creatures; he's a wild animal, crazed beast who feels nothing for his fellow black citizen who has sacrifice all during the centuries to protect the whiteman in war and to build this country making it what it is today.

R A C E - W A R!

In this life and death race war of the whiteman imposed upon the black man to genocide and extirminate the blackman, whitey weapon of choice is his **KUKLUXKLAN NEO-NAZI/FASCIST ANGLO-SAXON INJUSTICE JUS-US SYSTEM**. Members of the KKK are called **conservative(anti-BLACK), Right-wing, ultral conservati ve/grand dragon of the kukluxklan0**.

Have you not noticed the dirty whiteboy

- 1). Will turn a "TRICK" , sell him moma just to be a nothing ~~✗~~
 - A). Pig,
 - B). Trained racist lying hyenna prosecutor
 - C). KUKLUXKLAN Grand Drago Judge.

The corrupt whiteman will sell his children into prostitution just to carry a gun and wear a badge to rule over the blackman; just to kill the blackman

with impunity and immunity.

DETRACTORS OF SPEAKER OTIS

"Speaker if you hate this country, ameri-KKK as you call it so much than why don't you just leave it?"

You are truly an atypical ameri-KKKan after "YOU PEOPLE" have historically and contemporarily robbed, stolen and murdered your way into untold wealth and riches, you would inquire of one who has endured and suffered beyond comprehension at the hands of whitey "Why don't you leave the country?"

REPUBLIC OF NEW AFRI-KA

The bones and the blood of the blackman's ancestors cry out for revenge and justice' "You people have committed the most outrageous atrocity of all of history; the answer of the blackman, from the living, dead and unborn **HELL TO THE "NO" A HUNDRED MILLION TIMES OVER AND OVER!** "You people" must change and it is the duty of a true ameri-Kan to reeducate and bring you to the light. *what*

After ~~you~~ diseased savages have done against the blackman we are still willing to teach and reeducate you people, to assist you to evolve into a real human being; "we" have no other choice either to teach whitey or to bear with your domestic war crimes.; you are children with guns, money, power and little penises and you are desparately in need of leadership, a real blackman to lead you.

WHITEMAN QUIT OPPRESSING, KILLING, TORTURING AND ENSLAVING YOUR
BLACK BROTHER, YOU DO NOT EVEN HAVE A SOUL; WITHOUT "US" YOU
WOULD BE NOTHING!

ONE MILLION BLACKMEN

Historically, the blackman in ameri-KKKK has been tortured, brutalized, killed, hated and discriminated by the racist whiteman; all because of the color of his skin. Those of you who aren't black can't possibly imagine what it must feel like to live in a country whose history is based on contempt and violence towards you a fellow ameri-KKKan citizen.

Even today in our so-called pseudo-multicultural society with all its many guarantees of human, civil rights, equality and fairness there is very little change in the the attitudes of racist whites gainst the blackman than it was hundreds of years ago..

Imagine if you will having to live and die in a country where despite your very best efforts, exceptional achievements and accomplishments, you are still disfavored and discriminated against by many, to include your own government officials; it is opprobrium and downright insane. The words of the Chief Justice Rogers Beck Taney in the Dred Scot decision of the 1857 rings ever so true, even today when he wrote: "NO BLACKMAN HAVE ANY RIGHTS THAT ANY WHITEMAN IS BOUND TO RESPECT."; is still the motto of the united states of ameri-KKKa.

On this blackman's Holy Day of atonement, the day of the million man march - the rules by which the blackman was born into and forced to endure and live by were suspended. For a day at least these racist draconian rules were suspended. For one day as far as the ~~eyes could~~ naked eyes could see, the sea of humanity was black, not white. In the midst of that Black Sea of faces, racism and discrimination as "we" know it was also suspended.

While watching these events on T.V., unfortunately for me from the whiteman's slave plantation/slave cage; every fibre of my being screamed to be FREE, to be with my black brethren; a surreal, phenomenal event; more miraculous and spectacular than anything that I have ever witnesses in life; as a Black Nationalist, Civil Rights and Human Rights advocate and activist. The Blackman Holy Day Observance signaled a coming of Age. An event for Blackmen By Blackmen. ~~an~~ enthralling and empowering ~~of all~~ was to see all the beautiful your black faces of blackmen, young and old; who were all of one accord; most born after the Great Sixties Civil Rights Movement of the Blackman.

These young blackmen are now able to participate in our first Declared Holy Day of Atonement. An event that they will religish, revere and remember, cherishing and carry with them all the days of their lives. An assemblage of a million men in spirit, even if not in actual numbers, SIGNIFYING A SEA CHANGE, AN ADHERENCE TO AN INESCAPABLE TRUISM!

LOGIC, EXPERIENCE AND INTELLIGENTS DITATES: The solution to the blackman's problems lies within the blackman himself and no other; his epidemic of maladies, plaguing the blackman lies squarely within the blackman's own power and abilities to resolve. Even the victim is responsible as to how he or she responds to their victimization; because your life is your life and you are solely responsible for you iregardless and no matter what; for its protection, care and management **OF Self**

For the victim is still responsible for how he responds to their victimization; your life is your life and; that is the Universal Laws of Nature

While fault may belong to another responsibility for self is still and always self; as to how you deal with this mishaps and the hand that fate has dealt you. There is no longer a need for a cry of "BLACK POWER". NOW COMETH THE NEO-Blackman's declaration of empowerment'

THE NEW BLACKMAN OF BLACK ameri-KKKa

WHY DO MEN PATRONIZE PROSTITUTES?

Similar to any reason any consumer patronize another for products or services, a ^{CONVICTIONS} ~~convince~~. Albeit, men patronize prostitutes for umteen number of psychosexual, DNAgenetic, biological reasons; whereas female prostitutes generally prostitutes themselves besides for greed of money; and their perverse sexual needs; it is truly a form of empowerment for a women.. Plainly put "I got what you need!". The obvious male purchase sex in an obvious attempt to managewhat he seemingly simply cannot seem to control, his addictive sexual urges. As we all have concluded and realized we aren't really in control of anything in our lives, thus what cannot be controlled need be managed. The female prostitute contrary to what even she may think, she isn't in control of her product, ~~her~~ the service of her sexual organs's orifices. She is just a pawn in a game that she didn't start and can't seem to quit; the sell of her sexual pleasures purchases items and ~~what purchase~~ items that feed and satisfy her addictions, etc; she is no more then a link in an endless chain that seemingly goes on and on; so how can a ho therefore and thereafter claim to be in control/ To the male psyche, sex is and always ^s ~~ys~~ has been just sex, a means unto an end; an instinctive, psychosexual DNA genetic urge, a menas(sexual ejaculation) unto an end(relaxing-gratifying-pleasuer).

As we all know women have over the centuries for their own economical gains, security and dignity to uplift their status and contribution to humanity, by categorizing a natural function(sexual copulation) as "making Love" a ploy. In truth hetrosexual copulation is animalistic and a natural uneventful act; and it has nothing to do with the so-called making love drama(if indeed making love is a possibility. Children have spied their parents copulating in fright accussing their parents if fighting or wrestling Copulation is copulation; irractic and maniacly thrusting a foreign object into a women's body's orifices; irregardless of what polite euphemism you choose to label it as. Moreover, to me lesbian sex act would more closely resemble what one may envision as love-making(licking and sucking); considerably more gentle, caring and loving; moreso than hetrosexual copulation.

With a prostitute a man purchases exactly what he wants when and how he needs and wants it.; logical and simple, problem solved.. Not only is buying sex for a man in our high-tech, fast-paced socieity a prudent and convients it is simply more logical and cost-effective to purchase what is needed or wanted as expeditiously and as economically as reasonably possible; that is business;; rather than the more cumbersome, expensive, time-consuming spontaneous boy-girl relationshipo-negotiation.

Hetrosexual-relationships, noting the divorce/separation rate are expensive at any level, not cost-effective; along with the accompanying sometimes endless drama; emotional and psychological devastation and of course we all know about Domestic Violence/jail/child support of a child you did not want or was tricked into; emotionally draining ^{RELATIONSHIPS}

Thus, the purchase of sex from a women by a man is no more than evolution, an emotional economically, financially-prudent, logical means of controlling a simple psychosexualDNA need; albeit to the disempowered and economical disadvantage of the neo-feminist women movement

Greater lies with the individual, rather than with the male-female relationship, the two, the division and weaking of the one.

O' B L A C K A M E R I - K A N S WHERE IS YOUR CONSCIOUS? WHERE IS YOUR SOUL?
WHY HAVE YOU FORSAKEN AND ABANDONED US? BLACKMEN REENSLAVED UNDER 21st SLAVERY

The fact that over one million black people, mostly males and mostly young males are in prisoned, enslaved by mostly white men, whose sole raison d'etre is to destroy, kill and genocide the blackman by long termed tortures enslavement; doesn't seem to either alarm or cause black ameri-Kans a pang of conscious or shame.

The sick and diseased whiteman's raw-hatred, pattern and practice of physical and psychological rape, murder and discrimination has created a fatal cancerous virus upon the psyche of the black prisoner. Yet, O' black ameri-Ka you seem to have gone deaf to the dying, desperate cries of your people from behind the iron curtains; having set your face away from "us"; you do not hear the cries of the dying, the sick and lost souls in this concrete, steel tombs; cages of the living dead. Help! Help! do you not hear my cries, can you not hear or ~~is~~ is it you refuse to listen. The cries of the few are still the cries of the many.; do you not know of your brother's pain, torture and murder at the hands of the GREAT SATAN?; have you lost all moral decency whereas the death, dying and suffering of your own people do not even trouble you?. My brethren are you too busy ^{CHASING} changing the whiteman's mirage/illusion ~~that you can~~ a dream; the capitalist-pig nightmare.

No matter what the fascist/nazi racist propaganda of the whiteman's propagand~~f~~, we are still your people, your blood, your family, we are all black amer-Kans; no matter what the lying racist dog have told you of "our" crimes we are still your people and; more pointedly what idiot, what insane person would be(LIE)ve anything the whiteman said; ask the Red man about the forked-tongue blue eyed devil?

THE TOXIC STRESS OF THE MURDEROUS AMERI-KKK WHITE RACISM

Yes, just maybe we did ineffectively deal~~d~~ with the cancer and scourage of white racism and all the other maladies that plague and kill the New Afri-Kan Blackman; again whatever we've done or did we are still human being still members of the human race,
BLACK FAMILIES OF AMERI-KA WAKE-UP, STAND-UP, MAN-UP, WOMEN-UP END TWENTY-FIRST SLAVERY IN OUR LIFETIME. White racist are cowards and racism is a bully game. Black folks you need only stand up to those cowards and demand that they set your people free. "WE" as Black ameri-Kans have an inalienable right to life and liberty and to be treated justly, fairly with dignity and respect; irregardless of what our failing are. Understand all humans are frail and fraught with error from the whitehouse to the statehouse. Humans

are a process; you'll either teach them or bear with them.. Long term enslavement to make the whiteman rich isn't the answer; look at how more unsafe your streets and neighborhoods are moreso than they were before the Whiteman's War on the Blackman during the eighties, euphemistically War on Drugs; imagine a war on an inanimated object; only in ameri-KKK. (C. H. H. H.)

Most black priosner have been abandoned by their families, friends and loved ones, alone and isolated; abandoned, banished and disenfranchised

Black ameri-Kans it is utterly and irremissibly immoral for you to continue to look away, turn your face, rationalizing you cowardly "Silence", by the jaded statement in your Uncle Tom voices. You committed the crime so you do the time; you deserve whatever you get. And the silliness of black women are a talk show spouting " I DON'T DO JAIL/PRISONS!" So, sista what makes you think when your man gets out he'll want to do you. Think of your cowardly selfishness and the fact your children won't have a father do ~~you~~ ^{to you} your immaturity and inability to sacrifice; who pronised you that life is suppose to be good all the time and you are suppose to be happy all the time?

If you would only study, educate yourself you'll know that this is a criminal country started by criminals; the biggest and best criminals are the ones with badges, prosecutors and judges with black KuKluxKlan robes. Surely you have heard either you are part of the solution or you are part of the problem; there are no neutrals..

We have all erred, broken one of the milions of laws those idiot legisla^{LATOL} ~~lature~~ enact into law; all of us at one time or another has broken one or more of these laws

It is time we all grew up as oppose to growing old and quit hiding behind 1). Frivolous church rituals, sky gods and the like, 2). Jaded traditions; 3). Pseudo-normalcy and "accept" reality as is; that everything isn't o.k., in ameri-KKK.

It is important that blackmen stand up and identify the true enemy, the real culprit, cause, catalyist of our enumerable maldies and woes; the capitalist greedy, racist parasitic whiteman. It is from the beginning point of truth, our foundation that we can begin to evolve and advance; first to free our bothers and sistas being held unjustly in slavery in the whiteman's neo-commercial concentration camps.

And for those truly guilty of breaking the criminal injustice laws, we demand justice for them, fairness and humane treatment for all of our confused, martyriized, oppressed, suffering, fallen comrades held in capitivity held behind the Iron Curtains

THIS SHIT AIN'T ROCKET SCIENCE

MANY OF OUR BROTHEREN HAVE FAILED IN SUCCESSFULLY NAVIGATING WHITE RACISM IN AMERI-KKK. That is to be expected all of us are not so skilled with dealing with the abominal scrouge of racism; and whites are even worst with dealing with blacks. blacks stop, stop your senseless unfounded criticism of your brotheren; we are all doing the very best we can even if we are actually doing

JUGGERNAUT: ameri-KKKa is a gigantic ship afloat without a rudder or a captain; without morals or dignity; but of course most brainwashed ameri-KKKans would disagree with that condemnation; pointing out a hundred and one different instances of ameri-KKKan charity, unselfishness, honor, sacrifice, etc. No one disputes that ameri-KKKans haven't committed some good deeds, but that in no way can alibi, justify the horric atrocities committed by the ameri-kkkans and the ameri-KKKan goverment historical and contemporarily; no unlike religious hypocrites/phonies, they pick and choose parts of their religious scripture to cite and recite omitting the barbaric henious crimes committed and cite by their prophet that supposedly their god told them to do, e.g., witches, thousand of innocent women/men were killed because their religious scriptures told them not to suffer a witch to live before those religious idiots were told my decent men WITCHES DON'T EXIST YOU FASCIST MURDERING MAD-DOGS. In REVIEWING THAT HISTORY ONE DOESN'T KNOW WHETHER TO LAUGH OR CRY; YET THOSE PEOPLE STILL ACCEPT AND SUBSCRIBE TO THOSE SAME PRIMITIVE RELIGIONS; like celebrating the birthday of Columbis, a mass murder

PRO'S TO BEING A FREEDOM RIDER

PROs

RE: "INTERSTATE TRANSPORTATION"

Pros are in essence the reason for the "Freedom Rider" and those reasons were to;

- 1). Test the enforcement of the federal Desegregation Laws in "Interstate Transportation"; of which fell under the "Interstate Commerce Clause" of the United States Constitution
- 2). Plainly put "freedom Riders" wanted to change things, wanted to change the white racist/social norms in ameriKa.
- 3). Not unlike any law as is with the U.s. Constitution - it isn't self-activating, it must be exercised, used - either use it or lose it.
- 4). It follows you can't say you have a right unless you've actually exercised it and; thus the PROs to the Freedom Riders,
THEY WERE SIMPLY EXERCISING THEIR CONSTITUTIONAL RIGHTS.
- 5). Freedom Riders were a psychological conditioning - of YES WE CAN.
A). And to the white racist it was to say: SEE! SEE! SEE!
WE DID IT, WE HAVE INTEGRATED YOUR "Interstate Transportation" and your "Interstate Transportation" facilities.
- 6). BENEFITS: were enormous to open a new world for blacks in interstate transportation without being limited to back kitchen doors for food, using an out house in back of a bus station; allowed only motel/hotel accommodations in black neighborhood and possibly far away from the Bus Terminal; Tran terminal etc.
- 7). UPLIFTING OF SPIRIT: With intergregation of "Interstate Transportation" Black could NOW feel as a whole person now equal in some way as were ~~WHITES~~ whereas, "Interstate Travel" before because of segregation was usually daunting and fearful to many,
- 8). Even from my experience in the ^{pre}post "Freedom Ride", my old people during the fifties would say as soon as we would cross the ohio river into Kentucky, called the Mason Dixon Line, they would say "Let us pray, because our hearts are in our hands now." Whatever that was suppose to mean. Anyways,
A). Desegregation of Interstate Transportation was merely exercising A

Legal Right

CON'S TO BEING A FREEDOM RIDER

RE: "interstate transportation"

Con's are in essence as to why one should not have been a "Freedom Rider"
Reasons why one should not intergrate the Interstate Bus system and facilities.

- 1). It was disruptive and attempting to break up decades old well established laws of legal precedents; and cultural norms.
- 2). It was literally throwing dirt on the "FEELING" and "BELIEFS" of many. many people mostly whites, but I am sure a few blacks who had accept segregation as an acceptable way of life.
- 3). OBVIOUS CON: of not engaging in "Freedom Rides" would be to avoid serious injuries and even death.
- 4). SOCIAL STIGMA: A Freedom Rider in his community would/may be known as an agitator simply by participating in the Civil Rights Struggle
 - A). To most whites in those southern state and a few blacks, they were creating a problem that wasn't henceforth there before and therefore, Freedom Riders were looked down as the **PROBLEM.**
- 5). OSTRACIZED: Freedom Riders could suffer and would be ostracized by whites and local law enforcement as a "TROUBLE-MAKER".
- 6). RETALIATION: Freedom Riders could suffer and most likely would suffer retaliation from their white employers, racist or otherwise - who felt that he had to fire him and or that it would be in the best interest of a white employer to fire an employee participating in civil disobedience.
- 7). FREEDOM RIDERS FAMILIES: Families could and would also suffer collateral RETALIATION (e.g. injuries, death, lost of employment along with the social stigma of having a family member participating Civil Disruption attracting national attention.)
- 8). CREATED MORE RACISM AGAINST BLACKS: Freedom Riders agitation of white supremacist and segregationist could have provoke they to engaged in renewed, neo-Ku Klux Klan terrorism, bombing of churches, raping of black women, killing of blackmen, lynching of blackmen; and trumped up charges of arresting blackmen to reenslave them
- (). "ACCOMMODATIONIST RHETORIC", A black school teacher scolded one of the freedom riders for delaying the bus, adding that whether you sit in the back or front you'll still reach your destination.

Dear Warden:+

Pursuant to our conversation some weeks past regarding my complaint that you are illagally holding me here against my will without probable cause that I am indeed an ancient twenty-plus year release violator. Warden as you are well aware this grievous and gross injustice happens to blackmen in ameri-Ka all the time.

I am poor, black and old and my life is meaningless to anyone saving myself. I am in my twilight-years and I would prefer not to die in prison as punishment for being wrongfully punished in California. Warden, I fully realized this is a godless state and my wrongful enslavement is meaningless to anyone who has the power to rectify this injustice.

I fully understand there isn't any logical reason for you to concern yourself with my life or death, obviously I have been black a very long time in ameri-Ka. And I know exactly the worth of an old, ailing, poor old blackman in this state; of all godless states.

Unfortunate for me it is what poor, oppressed, repressed old people do, "we" plea for JUSTICE AND FAIRNESS I fully know if you choose to do so you could cause a full investigation into my reincarceration back in ohio after 23 years as a release violator. Well, its up to you warden, alls I can do is ask; I am certain my five children 16 years old and down would appreciate seeing/knowing their father for the first time before he died in prison

Thank you, please advise, ?
Otis lee Rodgers, A174-297

3-15-16

Mr. Rodgers, I will be forwarding this letter to Mr. Kusler, with a request to investigate further.
Kusler 3/21/16

KITE PROCEDURE

1. Check with your Sergeant or Case Manager to see if this communication can be handled without a kite.
2. Write only to the Department that handles the problem you have. Others will merely forward your kite.
3. State your problems clearly and completely and thereby get immediate attention.
4. Avoid duplication of Kites, Writing to more than one office about the same thing will not obtain any faster attention.
5. Kites are to be used only for communication between inmates and Institutional Staff and not for any other purpose.

PROS TO BEING A FREEDOM RIDER

PROS

The U.S. Supreme Court in Morgan V Virginia in 1947 and; in 1960 in Boynton V Virginia Banned all racial segregation on Interstate Buses and trains. It also ruled that the restrooms, waiting rooms and lunch counter terminals should be open to everyone.

The U.S. Supreme Court had ruled twice on this matter, so you'd think that would be the end of it

1). For those of you who may or may not know the U.S. Supreme Court has no enforcement authority, it is up to the executive branch of the government to enforce the Supreme Court's Order and in specific, the President of the U.S. States.

2). So, as you can well imagine the southern states completely and totally ignored the Supreme Court's ^{ORDER} order to desegregate its "Interstate Transportation"; and so did the White House

3). Now bear in mind the U.S. Supreme Court had already ruled segregated Interstate Transportation was unconstitutional

A). The first Freedom Ride was in 1947 after the Supreme Court's ruling and the PROS were,

4). To end the pent-up bitterness of years of seeing the colored people pushed around; to embrace the responsibility of being a witness and to confront the oppressor.

5). To challenge Jim Crow and; a part of an ever widening struggle for Civil Rights and Human Rights

6). To challenge the sanctity of segregation.

7). To challenge the delicate balance of southern racial etiquette. and;

8). There was the rising militancy of the DOUBLE "V" CAMPAIGN which sought victory abroad and the racial discrimination at home.

9). To test the enforcement of the federal Desegregation Laws in "INTER-STATE TRANSPORTATION"; of which felled under the "Interstate Commerce Clause" of the United States Constitution.

10). Plainly put "FREEDOM RIDERS" wanted to change things, wanted to change the white racist social norms in ameriKa.

11). Blacks during that time-period ~~blacks~~ had the right to desegregated interstate travel
