woke up, to another day, in this insane asylum, that is G-wing's 2300 side. The Nut ward."

No, I'm not at all happy. I Feel real sour, about being housed, around certain moron's up here. But I'm stuck up here, until something changes. so I've decided to stay under the rep 3-player, cut off any and all conversation. just stay to myself, and do my studying. There's only one guy up here that I really talk to, so it's not going to be hard.

well I've been exercising. Got my Heavy metal on play list Four, and it's Hasting Fast and Loud!"

wrote a couple of letters before I started. Was just in the GED book. Was messing with Fractions and ran into trouble. That's something I just don't get. $\frac{1}{2}$ $\frac{3}{4}$ $\frac{5}{8}$ I get all that, but, but, . . . $\frac{14}{3} - \frac{5}{3} =$ or $\frac{2}{3} \times 9 =$ —? I have no clue. I need a tutor.

I'm going to do some walking. Then exercise some more, while working on these books. I want to Finish these book's up and return them to the educational dept as soon as possible.

Had some really good exercise sessions. I'll get up in the morning and hit a work out, then bath and get ready for visits. I just Finished bathing, I'm going to bed now. I'm tired.
