Another wasted day. Didn't get enough sleep last night. These idiots were screaming up and down the wing all night. Cell #1, 5, 6, 9, 11, 13, and 14. all are idiots! I'm trying to get moved OFF OF this side. should have done it along time ago.

Canteen came earlier, we got word that the Keefe Corp is going to be selling iPad, starting next month. I'm trying to find out more about it.

our address has changed. my mailing address is now;

Ronald W. Clark jr #812974  
Florida State Prison G-Wing  
P.O. Box 800  
Raiford, Fl, 32083

Not sure why they changed it. Wish they would leave it alone. When I first got here it was P.O. Box 181 then I think it went to 221 and then that ~~7819~~ N.E. 228th St. and now P.O. Box 800.

The idiotic conversations continue, their insulting each other, your body is like Dora the Explorer, ect ect. If these idiots ever have an intelligent conversation, I'm going to go into shock.

I'm ready to go to sleep. and I haven't even eat dinner.
