I simply couldn't, "imagine," my favorite player of all time, retiring and to be incarcerated; an not able to attend his "last game" as a (LA Laker)!!
I was heart broken literally Cause I wanted to be there when the ^{black Kobe Bryant} (mamba) was unleashed I last time, to score 60 pts doesn't matter the shot apts he made 60 fgs, feel me, I'm a die hard purple n gold fan but, Kobe Bryant is my Goats he did what hater's thought he couldn't do, by turning adversity into the will to perform when you're (labeled) as to cocky on a ball hogg a snitch, etc, because of the (Shaq) situation and we all know that episode in the mountains an still he shined holding up 5 ring's an so many accolades its pitiful!! a theme song by, the "king of hip hop live," Lil Wayne Aka (Tunehi) if you haven't heard it download that to your play list real (KB) fans, my favorite pair of the black mamba's shoes are the 5's I owned a pair, the black n gold gold playoff editions along with the Black Laker's jersey yeh dig, truly a legend unguarded countless minutes played So many buzzer beater's (MVP) dunk contest, like Kanye Aka Yeezus said, "tryna get that Kobe #24 one over Jordan"
