Dear Rita,

Yes, I'm in a much better place. It may get worse because we got a new Captain who's a real idiot & seems to want to make things worse.

So, there aren't really any good paying jobs, unless you get in Unicon, which is the prison "slave" industry. I'm on the waiting list for Unicon, but I'm #330 & it could take years.

Yes, please, please keep emailing Pam.

So one sends me money. If anyone wanted to, I think the directions are at BOL.GOV. I do have a friend who might forward stuff for me (not Pam).

Sorry to hear your books were sent back. At least you can send books to George. If he were in a federal prison like me you couldn't.

Take care of yourself.

Love,
