Dear Meagan,

Thank you for typing up my poems. I never get to see how they look after being typed, due to the fact that we have no internet access in here. However I hope you know how much I appreciate you doing this for me. Thank You. Also thank you for complementing my writing.

Sincerely, Jesus A.

Dear, E.J.

Thank you for your comments. I was very happy to know my words moved you. For real. That's my whole purpose for writing. It always makes me happy when I get comments like yours. I appreciate your words, they were encouraging. Stay up and stay positive.

Sincerely, Jesus A.
