Well I had a really good work<sup>out</sup> today. I may do a little more before I shut down for today. Wrote two letters, mom and a guy wanting to do a media interview, dealing with the Hurst claim. Told him I was interested.

Did a couple of pages in the GED book. then some reading. Think I'll do some more reading before I decide what else to do.

Worked out again, I'm getting ready to go to bed. I am tired!
