Hi Rita,

Boy, do I have a lot of catching up to do. This place drove me crazy for awhile. First I was in 4-2 Unit, then I moved to 9-2 Unit, then moved to J-Unit and now I'm in E-1 Unit. I am back to work now as a cook. I still have 5 months to go and then I get my food service certificate.

After those attacks, I'm glad your mom is okay. I got your letter and I want to write you back but I can't make out your name and address. Also, how ^{much} postage is it from here to Belgium?

I go to the store in about a week and will get more stamps. Please let me know somehow your last name and address. Will write again soon.

Bright Blessings,

Henry
