➔ MORE RETALIATION DIRECTED AT MUISE - DOC SHOWS ITS TRUE COLORS - MODERN DAY BULAG

ON THURSDAY, MAY 5, 2016 MCI SHIRLEY IPS GUARD PERRY TRAVELED TO MCI NORFOLK, ON THE TAXPAYER'S DIME, IN AN ATTEMPT TO INTERVIEW TIMOTHY J. MUISE CONCERNING THE FABRICATED OUT OF WHOLE CLOTH ALLEGATIONS THAT MUISE WAS INVOLVED IN A "PLOT TO BUILD A COMPUTER." MUISE INFORMED PERRY, IN UNMISTAKENABLE TERMS, THAT HE WAS REPRESENTED BY COUNSEL AND WOULD NOT BE SPEAKING TO HIM. A WASTED TRIP FOR THE TAXPAYERS.

WHEN MUISE WAS REMOVED FROM THE INTERVIEW ROOM HE WAS NOTIFIED BY NORFOLK SMU LIEUTENANT PURCELL THAT HE HAD BEEN PLACED ON "LEVEL 'A' ESCAPE RISK STATUS". OUTRAGEOUS!, AND, OBVIOUSLY FULLY RETALIATORY IN NATURE AS LEVEL 'A' RISK STATUS IS RESERVED FOR PRISONERS WHO HAVE ESCAPED PREVIOUSLY, ATTEMPTED TO ESCAPE, OR HAVE BEEN FOUND ~~IN~~ IN POSSESSION OF ESCAPE TOOLS. NONE OF THESE CRITERIA FIT MUISE. THIS LATEST REPUGNANT ACT BY THE DOC IS ABSOLUTELY IN RETALIATION FOR MUISE'S WORK WITH THE LEGISLATIVE HARM REDUCTION CAUCUS, HIS PRISONER RIGHTS ACTIVISM, AND HIS REFUSAL TO COOPERATE IN THIS FARCE OF AN INVESTIGATION ON FALSE AND CONCOCTED ALLEGATIONS. BOTTOM LINE IS THAT MUISE IS BEING TARGETED FOR EXERCISING HIS CONSTITUTIONAL RIGHTS - THAT IS ACTIONABLE - AND HE WILL SEE THESE CRIMINAL ABUSERS OF THE MODERN DAY BULAG IN COURT. ➔

Re: Chow Hall

Dear Mr. Muise:

The Massachusetts Department of Public Health (Department) has received your letter requesting the inmate dining hall be ordered closed. In your letter you state the Department has found the hall "structurally unsound", which is incorrect. The dining hall has been cited for damaged flooring. You continued by saying the plans to build a new building have been cancelled. That is also incorrect and a contract has been awarded with an estimated completion date of January 2019.

The Department will be requesting MCI Shirley provide a detail of precautions they will initiate to ensure inmate and staff safety while awaiting completion of the new building.

Sincerely,

Paul Halfmann, MPH, RS

Re: Scabies & Cleaning Supplies

Dear Mr. Muise:

The Massachusetts Department of Public Health (Department) has received a complaint stating MCI Shirley is not using hot water to wash inmate clothing and linens and that there have outbreaks of Scabies. I have included the DPH Fact Sheet regarding treatment and prevention of Scabies with the sections for washing items in hot water.

The complaint further states the cleaning chemicals are diluted so that they are ineffective. Please provide the procedures used in mixing cleaning and disinfecting supplies.

Sincerely,

Paul Halfmann, MPH, RS
