**PART A – APPEAL TO LEVEL III/PARTE A - APPELCIÓN AL 3ER NIVEL**      Date Typed    04/23/12      Date Due

**I WANT TO APPEAL:** On 3-7-12 I sent Askeleson a kite requesting a case law located on the computer. He responded that he was not obligated to provide me a copy of legal material that is located on the computer. See the problem is not that I'm not being provided access to legal research material. The question is dose it meet the DOC policy 590.500 Reasonable access standard or the constitutional standard which is adequate access. Reasonableness would compel one to send prisoners case law, locate on the computer to properly and correctly read and take notes. When prisoner are only given one hour a week to access to the law library..

**SUGGESTED REMEDY:** Appeal to level 3

The feds... Instituted the RICO Act to STOP ORGANIZE  
CRIME FAMILIES FROM EVADING THE LAW AND TRANSPORTING  
CRIMINAL ACTIVITY ACROSS STATE LINE. But, this LAW  
DON'T APPLY TO GOVERNMENT OFFICIALS; THAT WORK IN THE  
DEPARTMENT OF CORRECTION OR ANY OTHER BRANCH OF  
STATE GOVERNMENT. IF YOU ARE A POLICY OFFICER,  
CORRECTIONAL, HEALTH OFFICIAL, ETC. AND YOU  
CONDUCT AN ACT FOR WHICH WOULD BE A CRIME FOR  
EVERYONE ELSE. ~~None the~~ BUT NOT FOR YOU. (THE GOVERNMENT  
OFFICIAL) NONE THELESS, YOU LOOSE YOUR JOB OVER IT OR ~~REASON~~  
RESIGN BECAUSE OF IT. OR SOME REALLY DIRTY SHIT  
HAPPEN ON YOUR WATCH FOR WHICH YOU KNEW ABOUT.  
YOU CAN LIKE:..... BERNARD WARNER OBTAIN EMPLOYMENT

or women, Inmate or correctional officer...  
That way we all live in a safe-free-self-expression society and world... But, No!! This is not the culture atmosphere, mentality of the Department of Correction. They believe if you cover your eyes to this issue by placing "the hands of abstinence over them the problem will no longer exist because for a large part the citizens of this state and country are immature and irresponsible. And therefore, viewing s&m sexually explicit or erotica material will lead to a world of everyone craving a little kiddy... whether man or woman.  
Bernard Warner was the Secretary of Department of Correction for the state of Washington... Now he's working for the private correctional institution in Utah.  
"The state of Utah has just issued a state-wide ban on porn, por-nog-ra-phy, por-no-graphic liter-a-ture, material". The reason; because it's a state-wide addiction to pornography. That's; "por-nog-ra-phy Ad-dic-tion." By who? The citizens. That's; "the citizens". Of where? U(fucking)tah.  
For those who are caught up in a world where they are going above and beyond to ensure that the community, society, world they abide... Resent! The fuckin' notion... That - they will become child diddler or raving psychopathic lunatic raping and cutting or eating man, women or child or what may appears to be them...  
I have sent a writ of certiorary to the Supreme court of the Good ole U.S. of A challenging the Department policy on sexually explicit material in the state of Washington. The Department extended the legal definition of sexually explicit material and the law on it in their prison regulation as to prohibited prisoners from having porn magazines... will I succeed... The U.S. Supreme court only hear 1% of the 100ths of cases sent to them... In my view they should hear all... That's what the court was created for and if it wasn't it should be...  
But, what you should really understand is: the mentality of the Department of Correction, and the government...

I just don't know what to say... IT'S TUESDAY... AFTER-DARK  
And that thought just enter into my forty-one year old  
Mind... I think -- I'm going to get me one tonite!!!  
Cause -- that pic of her is so arousing. I wonder...  
If she'd mind! She claims,, that - ~~man's~~ women are  
so complex... That we MANS comes in a box of simplicity..  
.. A good fuck and cheese sandwich and he'll be okay!... I guess,  
That's why we're so quick to run off to the wars they start.  
.. Aahh!! who!.. Know! Maybe she's right.. Just maybe this  
ethnically white, pink toe is on to something... I don't think  
that I'm all that simplistic... I believe that I'm down  
right a Mutha Fuckin Jerk at all times... which makes  
me complicated ASS Hell... Diff. Pi. cult.  
You think under the right situation and circumstance a hot  
sweet ~~stank ass~~ NAUGHTY STANK ASS AS; emmy ross\*in would  
let me f\*\*\*... Yeah! You're right!! Not a digga man  
like me... But, that's good... though... It make things  
so realistic.. Knowing, that a man can't have every  
women he desire or have a sexual desire for... I'm forty-  
one. Is it about time I start to work on my sexual  
Appetite. You know... control my urges for grati-fication.  
You know!! Some would say forty-one is dirt fuckin old.  
And.. we dirt old ASS man should not be roaming the world  
As dirty old horny devils... some would say that we  
are perverse, and such sexual desire leads to more  
Abnormal sexual desires to achieve one grati-fication.

Someone - like - who? well... your  
In this 9th circuit (or is it federal district court  
Government... case... well! I can't recall at this time  
you'll have to check it out. IT'S; Powell v. Riveland, 991 F. Supp.  
1244 (1997)) case law. The Washington state department of correc-  
tion asserts that; individuals who engage in what they called  
Abnormal sex act will eventually crave more clarker or Abnormal  
sexual acts to achieve gratification. That; this hunger for the  
perverse, will lead to unhealthy, dangerous sexual desires.  
And therefore, inmates should not be allowed Hard-core porn  
Magazines such as Fox and Swank or is it Shank,, Magazines.  
As a means to self expression, inside prison walls... But, the-  
thing is... that logic tells one of the concept of social  
Justice, evolution, safe and healthy society, community... That,  
in such a tightly secure and highly control and monitor place  
as a prison -- this is where one should be allowed not  
only porn magazines, but movies and damn near anything else  
one could get their hands on..

For the most simplistic reason of all. It's a tightly ran  
and monitor Atmosphere, Ambient, environment.  
You would want to give everyone in that environment the  
opportunity to explore such avenue so any unhealthy -- any  
genuinely unhealthy sexual, dangerous sexual desire that  
manifest into the true possibility of an act / conduct can  
be detected and treated... No matter if it is a man
