Hi Jman:

Like others who have posted comments on my blog recently, I'd never met you. Yet when you posted your message to my blog early in January to let me know that you have been wanting always to talk with me about Milwaukee Police Department's cause-effect for the shooting deaths of your brother Muhammad and Dion Russell, this unexpected news from you demonstrated that we both have uncovered in our collective investigations evidence of Milwaukee law enforcement causing the murders of Muhammad and Dion.

Please give my Investigator Tamara Weathersby your contact information, Jman. You can reach Ms. Weathersby at 262-620-2728. I'm hoping that we will unify with one another for purposes of sharing the new evidence we both have and then use such information among us to prove that Milwaukee law enforcement officials caused the murders of Muhammad and Dion, so that we can involve the Civil Rights Division of the U.S. Department of Justice in a parallel civil rights criminal investigation against Milwaukee police officers responsible.

I await your reply. Thanks!
