

WABIGRA

WHAT THIS IS. AN ODD WORLD  
SOME DAYS PAINFUL  
PAINFUL  
QUICKLY PASS  
OTHER NOT  
SO MUCH

WHAT AM I WAITING FOR

All the people trying to feel important  
feel like they are more than  
their stolen time. Some happily  
accepting the reality others  
fighting. Struggling for  
the changes they cant  
live without.

The River continues to Flow  
underground

Where are the  
maps where are  
our elders to  
guide us.

STILL THE FLAME  
BURNS THROUGH  
The Darkness  
& provides  
A feeling of  
Warmth.

Beauty in the eye of  
the beholder
