WEDNESDAY

4:20 am. Didn't get up until 4am. washed up had a cup of coffee, made my bunk, and got my laundry on the door waiting for laundry exchange. Got in two card's last night. so I'll write those letters this morning.

5:18 am. Breakfast just came the trays are greasy and slimy, probably from the chicken grease on the dinner trays last night. well I'm going to do some writing.

6:05 am. Nurse just came through. and the sgt. picked up canteen slips. I'm writing a letter.

6:54 am. Laundry is here. Little bit late. I've been writing.

8:03 am. Legal mail man just came by. nothing for me.

8:46 am. Grievance lady is here. I've written one letter and two cards. need to get ready to exercise. also need to do some work in this GED book.

10:50 am. Finished exercising. Pouring sweat, need to walk for awhile and cooldown.

12:22 pm. Been working in the GED book. lunch just came. trays were slimy and greasy, I gave it away. I'll eat some oatmeal here in an hour or so. or a banana.

2:34 pm. I've been writing the past two hours. wrote a reporter on how the courts are squandering tax dollars by the illegal sentence of one inmate who has a 9-3 vote. And how the Fla supreme court who agreed these 47 on initial appeals will get reversed yet their still sitting here, the Fla tax payers are paying their attorney fees every day, court fees and death row housing is more expensive. so all the way around the tax payers are losing. It is so hot in here right now. I'm going to lay back down and try to stay cool.

3:14 PM. It is smoking hot in here! I've been listening to the news on 89.1 Public Radio. Time to get back into the GED book.

4:18 PM. Just finished eating a little pasta and an orange. Some of these guys are scamming Gainesville citizens for alternatives to the death penalty, they are getting them to buy them their fans and TVs although they have money. Barry Davis is one of them. These guys are real creeps! Guy's bragging about having over \$800 in his account. The victim's family should file a wrongful death suit against him. He claims to have rent money coming in from houses he owns. Who knows. I just think if you have the money, you should buy your own TV, fan ect, and let the organizations take care of people who really need it. Think I'll get up and do some walking.

5:25 PM. Just did 200 more pushups and a bunch of crunches. Now cool down and bath.

6:09 PM. Finished bathing, washed clothes, now I'm going to lay down and call it a day. Hope to wake up with some mail on my door.

THURSDAY JUNE 2, 2016

4:39 AM. Got up at 3:53 AM. Washed up made the bunk. Was a rough night. Around 12:45 AM. I was woke up with this Barry Davis screaming and cussing at the officers. The dude has serious mental issues. Then at 1 AM the sgt comes down with Emergency master count. Don't know what brought on either of those events but it took me forever to get back to sleep. Got in several letters last night so I'm fixing to get to writing them.

5:46 AM. Breakfast is coming around. I just finished a letter to a woman who I haven't heard from in years. We met in the Duval County jail in Feb 2003. When I

left she corresponded with me so it was a real surprise to hear from her.

7:34 am. wrote another letter. now going to do some walking. And in about an hour - hopefully go to rec.

8:14 am. Their finally pulling rec.

11:36 am. just got back in, time to wash clothes, wash up, make some fish sandwiches for lunch and do some writing.

1:02 PM. Finished eating, those sandwiches were really good. Now need to do some writing. I have one more letter that I need to write.

3:00 PM. just finished another letter. Halil called down here and tried to get me into an argument. Instead he got two idiots into an argument that's still going on. Idiots. Well I'm going to work on a sudoku, then do some reading.

4:08 PM. just got dinner. I gave it away, tray's are greasy. I did both of the sudoku puzzles. It is hot in here. I mean smoking hot! I've got to bathe here shortly. Get in that hot water, afterwards cold water. That's going to feel good.

5:39 PM. Clothes are washed, finished bathing. It is very hot in here! I mean hot! Hot Hot Hot! I'm going to tie my fan up under the T.V. stand so it's blowing right in my face. This is only June. July and August are our hottest months. so it's only going to get worse.

6:18 PM. sgt. just come by taking the phone list for tonight. our day up here on the 2300 side is the first Thursday of every month. I told him no, I don't have any one on my phone list approved. so this is the 2nd time we've gotten to use the phone. At some point I'll be able to call. Right now I'm going to get back under this fan and try to go to sleep. DAMN IT'S HOT!!"

I've had a couple of cups of coffee. I'm making a breakfast shake, milk, banana, oatmeal, pineapple, peanut butter all in a bottle and shake it up.

5:48 am. Breakfast just came, trays are greasy, I gave it away. I'm cooking something for Hanif and I.

6:52 am. Finished eating, wiped my cell down with bleach. Need to get some paint in here so I can touch it up. Then again, we will be changing cells in a month. Need to walk then do some reading. I'm really sore from exercising. But I need to get a good workout in today as well. I hear the laundry out there.

7:47 am. Here's legal mail. I got a letter from Chief of programs Kristina J. Hartman denying me access to the educational programing at this time, stating however that tablets maybe an option in the future. Oh well, I'll continue to study and see what else I can do. maybe I can find some financial support to fund one of these correspondence schools.

9:41 am. Been in the GED book, and another book looking over Doubling The Final Consonant before adding ing-ed. I got a little bit better of an understanding. Just a little bit. English is a difficult language. Too many rules. I need to either write, or work out.

11:30 am. Plumbers are here working on sinks and toilets. Just plunged my sink. It's flowing better.

12:44 P.M. Lunch just came. I'm eating beans and rice. Been trying to repair my bucket that I cook with. It's got a crack in it, and leaking. Not good. I'll be eating cold food for awhile. Right now I need to get back to this letter.

1:30PM. Their pulling recreation on the 2nd Floor. There's so much madness going on around here. At times like this, I wish I was back at N.C.I. 2:54PM madness going on down here. Cell 2312 is trying to accuse the OFFicer's of cutting his T.V. cable. Cell 2313 Andres has snapped on the OFFicer's. Cell 2306 Davis has told the sgt. you better get the lt down here. He wants that T.V. and Fan that he conned that organization out of. Just madness. And its hot as living hell in here! which is probably adding to the hot headedness. see if anyone gets any DR's behind this mess. I've been walking. I need to exercise.

4:13PM. Got in a nice exercise session. 200 pushups, crunches and 25 minutes of step ups. pouring sweat. It is hot!

5:20am. Breakfast just came. I'm having oat meal this morning. The food tray's are just as slimy and greasy as can be. I'm making some burrito's for a couple of us guy's today. Just heard that one of my childhood hero's died, Muhammad Ali. I know his family and the whole world will mourn his death. Death is coming, its coming for us all. For each passing day brings us one day closer to it. Can't avoid it.

4:44 PM. Giving people a 2nd chance is the core value of Democracy. I heard that on the radio. Well I can truly say, Giving people a 2nd chance is not the core value of the United States. God Forgives America doesn't. That's the world I live in. Well that rain passed right on by us. made it even hotter in here. seems to raise the humidity level. I do not like these summer months. I heard the female prissons all have air conditioning. Well I've got to wait on bar check and weight before I can go to sleep. I'm going to do some reading in this GED book.

6:05 PM. I'm going to sleep, they can wake me up for weight and bar check

I need medical to write an incident report and to e-mail the Inspector General's office in compliance with Fla. sta. 944.31 concerning the dangerous and unsanitary conditions of our food. My food trays are coming back here greasy, slimy and rancid. The perfect element to spread bacteria, T.B., Hepatitis, salmonella the noro virus among other unsanitary transferable virus. This has been an on going issue for the past couple of months. I've gotten diarrhea twice over the past month, possibly due to these trays. My understand is the dish washer is broke. Now, I'm hearing from staff that trash cans have been crushed out, and are now being used to wash these trays. Someone needs to take immediate action. Please write an incident report and bring this to Mr. Palmer's attention.

All requests will be handled in one of the following ways: 1) Written Information or 2) Personal Interview. All informal grievances will be responded to in writing.

Check here if this is an informal grievance

I'm struggling with the grievance procedure, and I'd like to be trained in it as stated in 33-103.003 section(2)(c)(3) where it is explained and where I can ask questions and have them answered orally. I've never had this type of training or explanation in the grievance procedure. Could you please have someone train me in this. For I have a lot of questions dealing with 33-103 Grievance procedures. Thank you for your time and help
