RE: Criminal Complaint; Report of Domestic War Crimes against U.S. Prisoner Transport Services of America (PTS), LLC, Nashville, Tennessee; appointed agents of the State of Ohio.

ELDER ABUSE, a felony, barbaric, inhumane treatment of a prisoner, abuse of authority. I was harmed and my life senselessly put at risk. Cruel and unusual punishment 8th, 14th Amendment Diseased and deprived cruelty, torture, abuse of prisoner, sadism. 42 U.S.C. 1983 and in violation of A.R.S. 5121:1-1-35

Ohio Adult Parole Authority and Governor John R. Kasich did knowingly hire/appoint as their agents for the State of Ohio PTS of America to transport prisoner Otis Lee Rodgers a prisoner from the State of California to the State of Ohio, Lorain Correctional Institute, Grafton, Oh. On Saturday July 25, 2015; U.S. Prisoner Transport Service presented me with the Governor's warrant and upon inquiry agent Willard explained that U.S. Prisoner Transport Service was the same as PTS.

I was handcuffed and shackled, put in a 6x4 $\frac{1}{4}$ x4 $\frac{1}{4}$  metal cage built inside of the back of a regular van - forced to sit unrestrained on a metal bench with (7) other about two-hundred pounds prisoners; packed in like sardines in a can for a total of 11 prisoners (two females) in about one-half of the van's capacity; all similarly hogtied; not unlike the slave ships of old. No ventilation, forced to endure mutual air of coughing and body gases; with a minimum a/c, temperatures ranging up to a 100+, DEGREES through Arizona, Texas, Florida etc. A travel period of about six days from California to Ohio making a dozen or so stop to unload and pick up new slaves/prisoners. My fellow prisoners in this small cage at least a ~~dozen or so~~ dozen or so couple hundred times like a sack of potatoes on a roller coaster; snapping my neck, bumping my head and knees into other prisoners. This merciless pounding was for thousands of miles on an already injured back. The agents were driving wrecklessly up to 90+ miles an hour at times - hitting bumps, turning sharp corners at unsafe speeds sudden stops to avoid accidents.

In Mobile, Alabama near the County jail Agent Willard and his goon partner stop the van in the middle of the road, jumped out, unsnapped their gun holsters, stopped the vehicle traveling horizon to the Van's path in the middle of the road; accosting and questioning the young white female driver - she began to cry - after about 5 minutes of interrogation detention she was released.

As the agents drove wrecklessly at high speeds to make time not giving a god-damn about their hogtied human cargo. Not unlike the nazis, fascist or racist white savages of old/slavers. I flew up in the air and slammed down hard on my tail bone and injured back joint on the metal bench. I was forced to sleep handcuffed and shackled in the sitting position pressed up against the next prisoner. It was a sweatbox, tempers flaring and violent arguments ensued, pushing and shoving, prisoners slipping their cuff/chains to fight. The guards to quell the violent they would turn on the heater in 100 degrees temperatures. I was unable to bathe or to brush my teeth saving for two night that we checked into a County jail. The smell of human bacteria was beyond sickening and repulsive; one guy threw up when he was loaded into the van.

I could see the two females through the holes in the first van and through to plexagalls in the second van. One female was bleeding with a large cyst near her public hair area and crying because the agents refuse to stop to allow her to clean herself. The other female took matters into her own hands, pulled her pants down and urinated on the van floor twice and then in a bottle that she ripped the top off it; leaving her pants down for all to see in apparent anger and frustration as we disembarked the van at a County jail. I was forced to hold my body functions

WAS TOSSED

THE CRY OF "NO JUSTICE NO PEACE" IS FOREVER!

ameri-KKka HAS A MILLION AND ONE PROBLEM AND AN A FEMAL"S PUSSY CAN NO LONGER BE ONE OF THEM. NOW IT IS PRIORITY ONE!

Maybe not 50 years ago, it is now celebrityhood, the ho goes on t.v, crying it was a big dick and it went up in(albeit the ho has had about a thousand dicks up in her), it was unauthorized and UNPAIF FOR; of course she is traumatized, can't sleep, lost all sense of pride, dignity, her body is not her own anymore.

THE HO LAMENTS I DIDN'T DESERVE THIS; to be slide up in

The ho will admit I was slpppy, wasted drunk and high off of drugs, I passed out with my legs gapped wide open; and when I awoke the next morning my pussy was polluted with sperms and my so-called male friends were: <sup>gone</sup> SO FEEL SORRY FOR ME I AM JUST A STUPID BITCH!. And I want a male(s) to pay with their life for unauthorized usage of my(sometimes) discharge hole, her smelly pussy.

95% of all males charged with rape will be convicted and condemned

Most lawyers will advise their clients to plead guilty to avoid more severe penalties of slavery in punishment for a female's pussy. Either way a convicted male rapist LIFE IS RUINED.

A HO CAN KILL ANY MALE SHE WANTS TO WITH IMPUNITY

REGISTERED SEX OFFENDER

Labelled for all the public to see, to be scorned and riuled and harmed; forced to register for the rest of his life, segregated and discriminated against in houseing, employment and opportunities; all be-bause some mentally,deficient,neurotic female wantiny revenge against some male or any male she wanted to get even with.

A RAPED FEMALE AUTOMATICALLY BECOMES A CELEBRITY

She is so brave winning an acadamy award for her acting role of an revealing all the sorted details of what the unauthorized/unpaid dick did to her smelly discharge hole; now she wants to raise money and go on a speaking tour and let every female know 'it'S NOT YOUR FAULT.'" even tho you are the town's slut fucking everything in sight; but she is so traumatized; even tho she's had two hundred dicks up her ass, this one was the worst I DON'T KNOW WHETHER TO LAUGH OR TO CRY!!!!.

MEN STAND UP AGAINST YOUR DEMISE, MAKE ALL LYING RAPE LIARS TO TAKE A

POLYGRAPH AND BE PLACED ON DEATH ROW FOR LYING/COMMITING PERJURY TO KILL I wish we could lock up all the stanking pussy in this country, put it in a vault for safe keeping so we'll be done with the cry of rape, stanking, sexual harrassment; everywhere a bitch goes she take with her-her pussy privileges. YET, I READILY CONCED THERE ARE LEGITIMATE VICTIM<sup>S</sup> OF SEXUAL VIOLENCE WHO NEED TO BE PROTECTED. My advise to the rape victim, watch

what you do quit getting drunk and high passing out with your pussy hanging out praying some male will slide in you, so you can cry RAPE!!!!

GROW-UP!

**A WOMEN'S LETHAL WEAPON  
THE CRY OF "RAPE!"**

BY A MISOGYNIST

A blackman Wrongfullyheld for the last 15 years in slavery

The United Snakes of Hypocrisy, the land of the sociopathic killers, genocidal murders, criminals, liars and cheats Who invested the lie, the Great Liars, aka The Great Satans. In ameri-KKK every female of every age is constitutionally guaranteed the right of the unlimited usage of this "lethal weapon" against any male at any time she deems to her economical benefit, her advantage to cover up for her drunkenness, drug-addiction; an outburst of her mental illnesses, revenge, etc.

**THE "CRY OF RAPE!"**

Has made many-many women rich, their names and stories are too numerous to mention; it is recognized, legalized prostitution.

EVERY ameri-KKKAN MALES LIVES IN FEAR OF THIS NEARLY ALWAYS FATAL ATTACK. Men live in fear of their girlfriend, wife, mother, grandmother, daughter, relatives, random female. coworker and, even a street whore. Routinely, street whores charge their "TRICKS" with rape; there were a gang of hos in Salt Lake City who would solicit a male get in his car and then give him the lowdown.

"If you don't give me X-amount of money I will ripe my clothes off jump out of the car and scream rape and have you arrested."

As far as i know this extortion tactics \_ always worked, the male paid, --- no male in his right mind would take that risk in the

**DAY/CENTURY OF THE BITCH!**

Every male that I interviewed declared that he's gladly pay off a stupid bitch from reporting to the police that he had raped her, fully realizing that she don't need a shred of proof and it could have even hap ped months/years ago; and now the used up cunt wants money or attention.

**MEN WE ARE AT WAR AND UNDER ATTACK BY MANY-MANY PSYCHO-NEUROTIC BITCHES**

It use to kill me to hear a femi-nazi declare "What women would go through the shame and embarrassment of admitting that she was rape and revealing all the sorted details?" ALL OF THEM, IT'S CONSIDER A BADGE OF HONOR.

P.S. I AM SO SICK AND TIRED, SICK AND TIRED OF WOMEN' CRYIN/RAPE, PULLING THE RAPE CARD TO GET ATTENTION AND \$\$\$\$ "HE TOUCH MY SMELLY PEE\_PEE HOLE."

**MALE RAPIST, A CRIME OF IMPELLING INSTINCT  
OR A CRIME OF POWER AND CONTROL**

The neo-radical Women Movement would have us be(LIE)ve that rape is a crime of power, control and dominance over a female and that the rapist need for sex(ejaculation) is secondary, collateral, a non-issue; and that rationale may be true to the feminist-psyche. However that logic is — facially flawed and; if that logic were to be followed; one might say that shoplifting is a crime of murder and that murder is a crime of burglary or some other such nonsense; a rapist subjective or ulterior motives are irrelevant; since they can never ever factually be determined.

If rape isn't a crime of rape then why is it called rape? And not a crime of power and control? The obvious cause of a crime is its intended purpose and resulting actions thereof; and thus is accurately and determinatively called exactly what it is. Indeed the male rapist does exert power and control over his female victim to effectuate the commission of the crime of rape and that power and control is merely the tool and collateral intent and not its objective.

The ramification of seeking to mislabel rape is of serious error by denying rape as an overwhelming, primitive impelling sexual biological urge; is that it prevents the need to search for a solution, an avenue to allow the perpetrator of this irresistible biological urge; to stop this irrationale myth and fallacy that a male rapes for political reasons to exercise power and control. Unfortunately, there is just enough to that rationale to have a ring of truth and to be be(LIE)ved. In part a male rapist does strip the female of her power and control over her body; but so does a robber or a murderer and thus denying a woman of her market value, her right and endeavor to negotiate her preference and the value of her sexual worth(i.e., marriage, position, MONEY\$\$\$, security, etc.), for her body's usage or non-usage; whatever that might be. let's keep it 100 ITS ALL ABOUT MONEY. For the women's movement to propagandize rape as some evil attempt to oppress one half of humanity is no more than a political-ploy of empowerment; an attempt to obscure the truth of the evidence and of the reality of our humanity. The female is one half of the whole and the male the other half; it obvio

usly takes two <sup>halves</sup> half to make a whole; sex via copulation being a biological, psychosexual, DNA instinctive driven/directive of us all; the perpetuation of the human species;.

### STOLEN PLEASURE

We would exclude those men who rape women to obtain immediate and unpaid for sexual gratification.. The adage rings ever so true everyone wants something and; women want to be respected by being paid for their services. A women would inquire of her rapist "what's in this for me?"

If women are raped because of a male's uncontrollable DNA sexual urges than that implies ; and relegates A women's sexuality/body parts to no more than an animalistic, sex-object, a sexual waste receptacle for a male ; ejaculated waste; true, but denigrating the superficial importance the women's movement would like to attached their sexual organs. It further reveals that the so-called :**MAKING LOVE**" and "**HAVING SEX**" are indistinguishable with no physical significant difference to a male and in all reality; by virtue of the fact that both a male rapist and a non-rapist male can and do ejaculate while copulating with a women and thus, a male-rapist-rapes for the sole physical pleasure, physical/psychosexual release of ejaculation.

Women not unlike men in the natural order of things under the laws of nature have a function. In its crudest and natural terms a male's biological directive is to pursue his female counterpart, penetrate and ejaculate in her sexual body organs. Notwithstanding, our elevation as humans, that men are suppose to woo, romance, date and marry a female and have children; we know this recent attempt of so-called civilization is designed only to benefit the government and mankind in general. To make sense out of our existence on this planet; so civilized people don't rape their women, O.K.

In truth, notwithstanding, sex is no more than a natural mutual need of all of humanity to continue our existence; no more than a biological, physical, psychosexual, DNA-instinctive natural directive of nature we either do it or we'll all die out; all mature individuals, sexually mature individuals are (curse) with this uncontrollable urge. Many, if not most of "us" are obsessed with the pleasurable heterosexual copulation .ejaculation/orgasms; as is exemplified by the world's multi-billion population and the innumerable sex industries.

**WE ARE ANIMALS, SEXUALLY OBSESSED CREATURES; GET OVER IT!**

Intelligents would dictate making love as oppose to calling the act having sex is an inconsequential optional choice and not a prerequisite for the male; the over all act and the feeling is the same to the male. While it would aptly, wisely and accurately be POINTed out most men do not rape women and have absolutely no desire to do so.; a rapist merely exemplifies that that making love to copulating and raping to copulating are equally equated as one and the same to the psyche of many men; a male can and obviously does receive the same pleasurable gratification whether the female calls it rape or making love. While one would quickly point out the use of violence sometimes associated with rape as oppose to non-rape; excluding the obvious the motive and objective to the rapist is one and the same; copulation for purposes of pleasurable ejaculation.

QUESTION BEING: "If the act of the non-rapist and rapist is pleasurable copulation, excluding the act of violence, etc., 'How can a supposedly non-rape female determine the physical and functional difference?"

Therefore, rape is and is legally defined as "an unwanted sexact, committed upon and against another's will/consent or without their knowledge." The alleged psychological state of mind of the offender who is supposingly raping a female according to her exercising power and control over her is irrelevant, hence her opinion. Imagine a robber who steals your valuables by exercising power and control, the charge and intent is still robbery and not the exercising of power and control over you. That is implicitly-IMPLIED.

This may be a crushing blow to the feminist ego and the female create illusion of her sexuality/ her vagina hole. Nevertheless, it is the truth THAT most be built upon. Likewise, it must be concluded that the concept of "making love" is a misnomer a euphemistic female created idea whose time has past. This truth may be psychologically dis-empowering to the insecure, so-called "liberated women", who feeds off of, who is attempting to create an aura of mysticism around her sexual-organs/vagina for obviously political and financial purposes/gains.. Obviously, there isn't anything mystical or magnificent about a vagina, a body organ, a discharge hole. There is as women over the ages have discovered there is simply no way to transfer the feminist created mind illusion/delusion that some women have about being make love to as oppose to being fucked. It is also beside the rapist, the number or reported affairs of married men and even those in supposedly exclusive relationships; men simply fuck, copulate to enjoy a pleasurable ejaculation; it is undisputed men copulate and the term making love is a female created illusion that many women harbor;

this is not to say that some men have bought into the delusion of making love to please or appease his women.; but it is a lie and he is just befooling himself. Making love is is a feminist, unilateral, subjective interpretation about a subjective psychosexual act. And until women let go and accept exactly what we are, animals under the laws of nature The vagina tube is no more than a tool of nature used to produce "us". And of course there is no way the subjectivity about a women's sexuality can be translated into objectivity, making love will remain the illusion of "many women" and mostly the non-reality of most men.

If the neo-feminist movement and society in general were to be totally honest without political coloration, and squarely address this epidemic scourge of rape as a irresistible natural(to some) impelling instinctive DNA directive to copulate, to reproduce; then its remedy could readily be made available and accessible to this age-old seemingly uncontrollable ill called rape. No different than "we" provide remedies for drug-addicts, AND those with other substance abuses, we can minimize all incidents of the rape crime. WE MUST EVOLVE, GROW UP AND ACCEPT LIFE AS IS AS OPPOSE TO WHITE SUPREMACY OR PRIMITIVE RELIGIOUS SUPREMACY

The establishment of state-sponsored sex-clinics with well-trained sex-therapist/prostitutes.. No, this won't eradicate all incidents of THE rapist, not overnight at least but it will create an alternative ~~at~~ FOR A true rapist from prowling the streets as a predator looking for a female ~~boy~~ to receive copulation pleasure from

BODY  
SEXUAL COPULATION EJUCULATION PLEASURE IS ADDICTIVE AS IS ALL OTHER  
FORMS OF HUMAN ADDICTIONS: AND THEY NUMBER INTO THE HUNDREDS

Therefore, treat a male rapist as a sex-addict. Perhaps more importantly it will begin to condition rapist to come out of the closet without fear of recrimination, imprisonment or being physically harmed; and even potential rapist now know where they can legally go to appease their addictions/perversion, etc.. Removing the stigma and guilty, and shame of be<sup>ing</sup> classified a rapist; no longer in the closet hiding their societal unacceptable sexual behaviors. It is truly a matter of evolution of conditioning. In this type of straightforwardness and honesty, addressing unacceptable sexual proclivities and aberrations/problems in such a manner of sexual management. This is oppose to "them against us" Let's keep it 100 if all a rapist wants/needs is pleasurable ejuculation

we all know that there are millions upon millions of women who'd love to lay on their back and get laid and paid. So what is the problem the solution is simple it is the religious right-wing fascist who's oppose to state sponsored prostitution.

In truth women who are truly raped is because of the barbaric, religious based hypocritic laws. It is no longer enough to simply say "men are dogs". For if that is the truth, it follows that "women are cats or doggettes" and hence we fight like cats and dogs.

If sexual pleasure is truly the rapist addictive/obsession need, then this human need can easily be met and even controlled by medication or this addictive pleasure made available through state-sponsored sex clinics under controlled environments to the rapist/male by willing sex-surrogates and vice-a-versa arrangements for women and for those of diverse sexual perversion and persuasion. We as a society must drop our pseudo-morality, our hypocrisy and address this problem squarely. Feminist, femi-nazi, religious-zealots are the problem to controlling the scourge of rape, rather than its solution; female rape victim are a tool to continuously strike out in revenge at men. Albeit, in some instances justifiable, but in most instances too severely prosecuted/persecuted to the fullest extent of the law with no end in sight; with the so-called victim accepting and taking absolutely no responsibility for her drug-addiction and alcoholism, passing out with her legs gapped open in invitation.

Yes, most will disagree with that narrative, but my point being when will a female take responsibility for her self-destructive behavior leading to her rape? Women in this country are treated as demented children, who can say and do whatever they want and are still protected by the law. Why do we treat one-half of humanity as toys, frivolous creature to be guarded and protected. I hear the loud voices, if a women gets naked, drunk/high and pass out in a dark alley with her legs open, she is still under protection of the law from rape; bad things happened to men all the time who gets drunk/high, yet there is no outcry.

**THIS COUNTRY SEEM TO REVOLVE AROUND A WOMEN'S DISCHARGE HOLE!**

We can no longer stand idely by allowing the continued victimization of the male rape victim and her perpetrator, who is likewise a victim; albeit to most a repugnant, despicable victim; all just to continually attempt to save the age-old illusion of the importance of a women's

sex organ, vagina sleeve for her self-esteem and financial gain at the expense of societal progressive evolution.

It cannot be disputed that sexual copulation, ejaculation/orgasm is a need of all psychosexually mature individuals; a genetic DNA instinctive driven biological programmed directive. Rape to most rapist is an addiction, a desperate, uncontrollable urge.

Based upon that premise, it is time for some women to grow-up and drop her pussy privileges and view the world as is without coloration and delusional imposed magical and wonderous fantasy about what their sexuality ought to be as oppose to what it actually is. It is time to evolve, to accept our reality, we are sexual creatures; we all have roles to play under the universal Laws of Nature. **SEX!** is no more than a simple physical necessary function of all of humanity, to a very few it is a tolerate act, that one must endure to perpetuate the race. A female must accept her necessary function no less, no more than a cog in the wheel of humanity. If the vagina is important than so is the penis women cannot survive, perpetuate themselves without the penis and vice-a-versa.

We are all locked in this involuntary wheel of life; the perpetuation of the race until nature/old-age or death frees us from it.

Human not unlike animals copulate "WE" do not in any sense of the word make love. In truth aside from some foreplay there isn't anything visibly "LOVING" about a man maniacally, erratically, frenziedly and spasmodically penetrating and shoving his penis a foreign object (deep inside a women's sensitive, soft tissue body orifice (vagina)).

Our sexual energy is the strongest DNA-instinctive, genetic driven directive within us. We spend an enormous amount of time, energy and expense attracting and pursuing a sexual mate in compliance with our primary nature driven directive, to procreate, in fulfillment of our uncontrollable urge/sexual addiction.

Our addiction is either conscious or unconscious need. Thus, we need to quit imagining sex, copulation as no more than a mundane act that "we" humans must and do perform millions upon millions of times; I stand corrected billions upon billions of times a day/night

**PREDICTION** "The wave of the future will be Pleasure Palaces for both sexes and our monogamous-relationships and the current hypocrisy as we now know families to be will eventually go the way of the dinosaur

We are still primate, superstitious, backward creatures, we must grow up and evolve into progressive, civilized, humane human beings; women must know their place and accept it in the natural scheme of things; learn to protect their own pussy. destroying men's lives is not the way.

LET-THERE-BE-JUSTICE-FOR-THE-BLACKMAN! -- STOP RACISM AGAINST THE BLACKMAN!

Governor it is wrong to continue to kill innocent blackmen; to force me to sit in slavery rotting on your plantation, simply because I am black Governor this is white racism; in three years of litigation no one in the entire state of Ohio has had the balls or manhood to do a face-to-face, provide or show me a copy of this ancient legitimate documents of my 20 plus years release supervision terms, no one. Why Governor? why?

I was told that I am being punished for being severely/overly punished for my convictions in California that **never even happened.** Governor, in the name of moral decency, what sense does that make; to punish me agains for being severely punished in California

Even Hitler would not stoop this, ow

If my blackness is so despicable to you and you have such hatred for my blackness, then order my execution; that is what a Hitler would do. That is what all decent monsters do, the humane things; yet you want to torture and destroy me mili-inch by inch; in my final days you want me to know of your **WHITE POWER, WHITE SUPREMACY, KILL THE NIGGAR!!!**

Being in this racist dog no-good country, one doesn't know whether to laugh or to cry.

Governor, you and I both know and even Hitler knows I wasn't under release supervision for twenty-years starting from my paroled departure from Ohio on 12-2-92 until 7-12-13 until your agency finally filed its first state tolling(PAL) warrant.

Governor Ku Klux Klan Racism<sup>n</sup> against the blackman is wrong

Governor, any possible documents would be dated some 23 years ago and we all know any legal document with a five year or past date has no legal force. The documentation even if it exist would have to be dated during 1992, the date that I left Ohio in the custody of two Arizona deputy Sheriffs; not allowed any property

Governor will you do the right thing and release me to my California Parole Officer, so I can live out the rest of my days assisting my endangered BLACK CHILDREN?

What is wrong with "YOU PEOPLE?" why do you hate the blackman so much, what did I ever do to you that you want me dead in your slave plantation. If I live to be two hundred years old I'll never understand why you people always cheat and lie just to kill a blackman; when my people have been the whiteman's loyaliest ally since day one; "we" have fought in every war for this country since the Revolutionary even when my people were in formal slavery, yet you whites still seek to genocide me and my people. There is something seriously wrong with you people governor. WAR

My little black children need me and you don't; poor whites need to educate themselves and quit living off of the dying, death and misery of the blackman; whites need to grow up and develop morals and a conscience. It's not that difficult ~~judge~~, whites need to grow up and stop living off of the blackman; racist/fascist whites are so lazy that those southern hillybilly fought and war and died just to keep ther darkes/slave to workd for free for them. Imagine diseased whites fighting a war just to keep free labor.

Governor, you are a **CONSTITUTIONAL OFFICER**, you must do the right thing and set me free. please advise? Otis Lee Rodgers, PIN# A174-297

O P E N L E T T E R !!!

TO THE HONORABLE GOVERNOR JOHN R. KASICH OF OHIO

TO: Governor John R. JUSTICE FOR THE BLACKMAN IN OUR LIFETIME  
Kasich

RE: ILLEGAL EXTRADITION/KIDNAPPING OF A CALIFORNIA PAROLEE FROM CALIFORNIA ALL IN VIOLATION OF THE UNIFORM INTERSTATE EXTRADITION ACT; IN VIOLATION OF BOTH STATE AND FEDERAL EXTRADITION LAWS; PLAINLY PUT GOVERNOR YOU, HAD ME KIDNAPPED/DROGGED BACK FROM CALIFORNIA CHARGED AS A RELEASE SUPERVISION VIOLATOR; BASED ON YOUR 6-18-15 DATED REQUISITION WARRANT TO GOVERNOR BROWN OF CALIFORNIA; RELEASE VIOLATOR IS NOT AN INTERSTATE EXTRADICTABLE OFFENSE.

Dera Governor Kasich:

Why did you illegally extradict me? I am an elderly person in my twilight-years with a beautiful impoverished black wife and five beautiful endangered black children, desparately in need of my support and guidances my last days; yet Governor you are holding me as hostage on this slave plantation just to provide jobs for lazy whites. The California Courts and Governor Brown was 'tricked' to allow a California parolee to be kidnapped/illegally extradicted to ohio under fraud and false pretenses. DURING

1). At the 8-19-15 dated Release Revocation Hearing OAPA agen Ronnel D. Jones **dismissed** the tale that I on or about 5-22-98 was suppose to report to California for parole supervision(California refused to lie for ohio agents).

A). AGent Jones also **confessed** that his agency(IN STATUTORY MALFEASANCE AND IN DERELICTION OF DUTY; AND IN GROSS INCOMPETENTS WITH ALL HIS AGENCIES ACCESS TO LAW ENFORCEMENT RESOURCES) **LOST MY FILE AND DIDN'T HAVE A CLUE AS TO WHERE I WAS FOR TWENTY-YEARS.**

2) Parole Board Hearing Officer at that same hearing "rejected" and **dismissed** the charge that I failed on or about 5-22-98 to report to OAPA Deputy Adminsitrator, Interstate Compact Officer, Gail A. Price.

A). The Hearing Officer denied Ms. Price presents as unavailable or (dead); Your agency Governor in Gross Incompetents and in RICO Conspiracy waited 15 years after these so-called violation even before their first state tolling(PAL) warrant was filed on 7-12-13. Of course after all of these years the so-called witness was either dead or unavailable; and really after decades plus After having dealt with thousands of prisoner was Ms. Price suppose to remember the facts of my incustody parole departure to The sovereign State of Arizona under "**Special Conditions**" ONLY! MY

Before you kidnapped me to hold as your slave during final days, you didn't expose to Governor Brown that your agency has lost my file and didn't even know if I had communicated with Ms. Price and she had instructed me to cease calling that I had been paroled to Arizona under Special Conditions and that Ohio had relinquished jurisdiction over me Governor Kasich, why didn't you tell Governor Brown of your state's gross incompetents. This isn't the days of slavery Governor, blacks can read and write.

**QUESTION:** Where are the ancient, decades old, certified, verified terms of my supervision, legitimate, valid documentation that I signed in acknowledgment agreeing to 20+ years of active Release Supervision terms?????

WHERE, WHERE, WHERE, IS THAT/THOSE LEGITIMATE DOCUMENTS.???

At that same hearing Parole Board Hearing Officer Marc. C. Hauk "rejected" the charge that on or about 5-22-98 I was suppose to report to Ohio OAPA Deputy Administrator, Interstate Compact Officer, Gail A. Price on or about 5-22-98.

footnote: Ms. ~~Price~~ was unavailable as a witness retired or dead.

I was found guilty of failing to on or about 5-22-98 ~~failing~~ to provide my residence to OAPA.. Without a shred of proof I was never instructed, nor did I ever receive any instructions to provide my residence to OAPA on or about 5-22-98.

I was found guilty of violating some term by my 8-1-03 dated California conviction; I wasn't under any ohio release supervision on or about 8-1-03.

WHERE IS THE PROOF, WHERE IS THE DOCUMENTATION?? WHERE? WHERE?

Ohio Ku Klux Klan refuses to even discuss this matter with me as these people make money off of my last days in slavery to provide do-nothing jobs for poor whites in ohio.

I am entitled to Federal Process. I am being unlawfully held here in the whiteman's slave plantation against my will under threat of death.. I am a california parolee and I am demanding that you do your duty and demand of ODRC that they produce documentation, legitimate documentation that I was and I agreed to 20 plus years of Ohio Release Supervision?? Ya know if I wasn't black and I was in a free country that isn't asking to much only demanding Fairnes and Justice. JUSTICE!!!!!!

What is wrong with you white people why are you so evil and so corrupt and your perversion is to kill blackmen or enslave blackmen; when will you people evolve and grow up and stop being so lazy living off of the death, dying and misery of the Afri-Kan ameri-Kan Blackman?

The facts: I left Ohio on 12-2-92 and I did not return until forceably dragged in handcuffs, shackles and leg irons in a small van without A/C, packed in a slave ship/van like sardines forced to sleep on a metal bench unrestrained; eleven all total to include two females crying and bleeding, begging for a rest room break urinating on the floor leaving their pants down in protest for all to see when we did stop hundreds of ~~mailes~~ later; forced to hold our body functions and to smell each other's body fumes.; just like those white racist savages did during formal slavery in ameri-KKK.

What I am saying I have been in ohio in 23 years and ohio didn't file its first state tolling (PAL) warrant until 7-13-13 20 years after my 12-2-92 incustody parole to the state of Arizona.

Unconstitutional Extradiction from California by Fraud and Perjurious Lies. Plainly put Ohio Governor John R. Kasich issues a Requisition Arrest Warrant to Governor Edmund G. Brown, Jr., on 6-18-15., charging me and accusing me of being his fugitive Release Supervision violator. Governor Brown's agent accepted this Requisition and on 7-6-15 his agent signed/issued the Governor's Rendition Warrant; noting that I had violated the terms of my Release Supervision and had fled from Justice of the State of Ohio.

BE THAT AS IT MAY THEY ARE ALL LIES!

Dear Chief of the Board of  
Parole Hearings:

I am an "active" California Parolee with a constitutional federal "Liberty Interest" in my freedom. See MORRISSEY V BREWER, 408 U.S. 471 (1972). I will sue "you people" if you do not act upon my charges, it isn't rocket science, my claim is thus.

1). I am not now nor have I ever been under "active" Ohio Release Supervision terms. This is an extremely simple matter to resolve; where are the ancient certified, verified, valid, legitimate documentation with my signature reflecting my acknowledgement of obligation to 23 plus years of ohio release supervision tersms. Notwithstanding any so-called document with an ancient date of five-years PASS HAS NO FORCE OF LAW.

As you well know and as the records will reflect I was in the custody of California authorities from 8-1-01 until my parole release of 4-15-15; whereupon I was delivered to Solono County Jail under an Ohio arrest warrant and; delivered to the state of ohio on 7-30-15.

**MY STORY IS THUS!** On 8-17-92 the ohio Parole Board granted me a parole under "Special Conditions" to my Detainer(The sovereign state of arizona ONLY! The word appearin TWICE on that dated Minute Order.

I went to Arizona in custody, departing on 12-2-92 successfully completing my sentence and parole and received a Certificate of Final Release on or about 5-22-98. Ohio OAPA agent Ronnel D. Jones at my Release Revocation Hear **confessed** that his agency(IN STATUTORY MALFEASANCE AND DERELICTION OF DUTY" AND IN GROSS INCOMPETENTS WITH HIS AGENCY UNLIMITED ACCESS TO LAW ENFORCEMENT RESOURCES) **LOST MY FILES**. Well whose fault was that, this elderly blackman in his twilight yeras? I think not.

Agent Jones also **dropped** the charges that once released from Arizona I was suppose to report to California for supervision on or about 5-22-98. He was well aware California wasn't gonna lie for Ohio.

ALLS THE WHITEMAN KNOWS AND DREAM OF BEING IS A SLAVE-KEEPER
