Dear Lita,

Happy Friday the 13<sup>th</sup>!

How are you? I'm sorry this reply has taken so long.

Yes please keep trying my friend. She's my "best friend" but hasn't contacted me even once this year. I have zero help.

I'm glad to hear you made a new friend. I find it hard to believe her "soulmate" needs 2 other women.

I hope you have a wonderful visit with George. I'm OK, just been very sad, depressed & hurt lately, but this too shall pass.

XO XO
