- SGT. BITCH CRASHES ANOTHER TRANSPORT VAN, BUT THE OVERTIME CONTINUES

One of our favorite targets, and a fully reprehensible individual, Sgt. Dwayne Bitch, crashed another transport van last month. Sgt. Bitch was, as usual, wearing dark glasses on an overcast day to hide his crimson bloodshot eyes. He was driving in traffic, taking a war hero with 44 years in prison to the hospital, when he spotted a loose roll of Charmin toilet tissue cross the road like a red squirrel. Sgt. Bitch, his asswipe kleptomaniac in full bloom, took his eye off the road, dreamed about capturing the stray roll of shit-paper, and crashed into another vehicle driven by some poor unsuspecting taxpayer who was unwittingly paying Sgt. Bitch's overtime detail that day. Not only will the State's insurance have to cover the damages caused by this menace to society, they also had to cover the costs of sending the passenger in the van, the war hero, to the outside hospital to be examined. Sgt. Bitch fucks up every detail he is assigned to, and the rest of the oxygen wasting guards refuse to work with him, so The Bitch takes every "trip" he can get his theiving hands on - just like he steals every roll of toilet paper he can get his hands on. Our sources reported in the past that The Bitch even stole t-p from New England Medical Center on one of his "trips". This fool is everything that is wrong with corrections but is still embraced by dregs like The Mental Midget Deputy Keith Na-Nu Na-Nu (stand up when you read this) and new superintendent Ray "dry Drunk" Manachevitz. Possible "Paul", the internet troll from the CRA Program, could offer "treatment" to old Ray, or maybe they could just break down and have a few Pabst Blue Ribbons together; dry drunks relief. Sgt. Bitch could drive them to The Manhole Lounge for a few cold ones.

- IPS CO THOMAS PERRIWINKLE CHARGED WITH ARSON / ONE BULLET TAKEN FROM POCKET

Rumor has it that IPS CO Tommy Perriwinkle is facing criminal charges after an event that took place in the IPS Suite at ShirleyWorld. We have information that Tommy The Tale Teller was burning all his resumes' and FBI/Secret Service/Homeland Security job applications after screwing the pooch in the "Muise" investigation, and sparks from the flames caught IPS CO Erica Pushhard's French Maid Costume on fire. All Sgt. Mark Bitchard's phone recordings of convict calls went up in flames as well and it appears CO Perriwinkle may face criminal charges. He used to sit in the IPS Suite and listen to the song, "The Future's So Bright I Gotta Wear Shades", with his false hope headphones, now he is slumped over in his chair despairing to the sounds of "Take This Job And Shove It!", as his hopes for promotion were dashed like Keith Na-Nu Na-Nu's hopes to play basketball. More misery ahead for Tommy The Tale Teller as Amnesty International, ABC News, and The Free Speech Warrior have plans for his continued downward spiral. Your a fake cop Tommy! Do you get it now?

- RUBBER STAMP WRY-ON AMONG THE MISSING / STRIPPER POLE PURCHASED

No one is sure where our Queen Of Mean, Kelly "Rubber Stamp" Wry-On has gone. Our financial advisors tell us that she used here American Express Gold Card to purchase, "One Brass Pole - Floor To Ceiling Length", so read into that what you will. She also bought a loop tape of Def Leppard's "Pour Some Sugar On Me!". Let it rain, Kelly!

More To Come...
