Trustankit,

Thanks 4 the rapid reply. Ur words of thoughtful encouragement were well needed. God's timing is perfect Ecclesiastes 3:11 Ur compliment on the T-shirt design just convinced me that I can make it in the fashion industry. Well my main goal is 2 have just a T-shirt line nothin 2 big! Just like a kiosk or internet only thing 2 make a living - N- support the ministry - N- just be able 2 do things w/my daughter like take professional photos, go on a trip, go out 2 eat, go shop'n, etc - Run stuff. 😊

Drawing helps me "stay calm" -n- "stay positive" though I haven't drew my C2 out in quite some time. Maybe I'll indulge 2 night. See what happens. I can only sit in these plastic chairs 4 so long. The definitely not ergonomically designed 4 comfort.

But when all is said-n-done (N I suppose - written) what really work 4 me is stayin in my Bible N stayin in prayer. I Gotta B prayed up, in a moments notice I can B in a life changin situation. God helps me respond how Jesus did. Whew! Take a lot but it's worth it. Light shines in darkness but the darkness comprehends it not.

Thanks 4 ur prayers - I NEED 'EM since I seen people 3 weeks ago people have been comin at me sickways! Just yesterday somebody tryed 2 fight me at 7:15 in the mornin he was offended I let him pass me on the stairs -n- that I moved out the way as he was attemptin 2 run me over. Yikes! Thank God 4 the strength 2 hold my peace -N- just

say "Stop it - I'm with u. I'm not the enemy." crazy we were just at Bible study Mon night.

I will not lose. I shall 2 pray 4 strength
2 4 give him then muster the courage 2
ask God 2 bless him even more than B4.
N 2 deliver him from whatever demons
plague in his mind, body, -n- soul. In Jesus
name Amen.

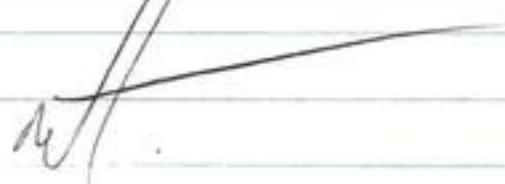

Speaking of prayer. Ever seen the movie WAR ROOM?
I digress

NE way would I care 2 keep u in prayer :-
If u have any request u feel comfortable
sharing just holla :-)

Take care

God bless

Check out new designs I just sent. -

P.S. also the essay Nature's 1st Law
