Dear Son,

I am once again reaching out to you in the hope we will be able to communicate in order to try and answer both of our many questions.

Son it is impossible for me to truly make you see/believe how SORRY I am, at least from in here. But PLEASE I know I will not lie to you no matter how hard any of the questions are.

Just said that this format of communication was OK with you, at least for the time being. And that is great BOB you have to be willing to write back. If I've already said something wrong, write and tell me PLEASE... It's been some 2 plus months since I've heard from you. Yes you're right I took a month plus myself to answer you back. It was very hard for me, please believe me

Mc 84 Boston MA must be your internet address. Sorry but I have no access to any type of computer to reply that way.

I'm just hoping that these letters are as the people say, getting posted and they notify you that I have answered. Money for stamps is low.

I understand you must have serious doubts as to my sincerity in all this. Let me ask you, have you told your mother or brothers and sister about reaching out to me???

All I can ask is that you, now a man make your own decisions about all this. I'm sure there are some serious resentments and yes even hatred for all I didn't do. All I'm asking is a chance to try and clear the air and let all of you know that I love you all and that you are on my mind and in my heart all the time.
