Dear throatytrout/Ben,

Thank you so much for transcribing the posts. Glad you liked the case filed here against the Food Director The Green Chickenhead. I'll keep the readers posted.

Are you available to do some minor internet research from time to time? Nothing too labor intensive. We just need someone to look up addresses and pull up a couple of reports from time to time. It would be very valuable to the cause here. Please let me know if you can assist. Whatever you could do would be appreciated.

Thank you again. Hope to hear from you soon. You can always write me directly as well;
