Dear Deenuno77,

I can't believe how my request got misunderstood. You know me and the work I do, I would never contact you in an inappropriate manner. I have some important information for Bryce which I did not want to put in writing; it could be damaging if I did. I wanted to let you know, in private, so you could let him know. I'm sorry if I was unclear about that, but please know that my intentions were pure and are all in the battle to get good men out of prison.

Possibly you read the comments of the asshole liar "Paul" who works for the corrections system. Please know that he is on the enemy team; he would like to see Bryce die in prison. He has a sick mind and of course attempted to color my communications with you in a negative light. He is all that is wrong with the corrections system; a dry drunk making his blood money off the misery of others.

Sorry for the misunderstanding Dee. Let Bryce know the real intent of my communications and print-out ALL of our communications from the blog for him to read so he can see the message. I'm doing what I can to shine a light on the injustices and men like this gimpy alcoholic "Paul" twist the truth to keep men in cages.

Take care of yourself. I am,

In Struggle,
