Timothy J. Muise is the "Outreach Liaison for The Lifers' Group, Inc. at MCI Norfolk. The Board of Directors voted unanimously to place Tim in this position and as part of his current duties he posts Lifers' Group materials on the internet. Tim is the only member of the Board who gets a "personal" one hour meeting with Board Chairman Gordon Haas each week to discuss his Outreach efforts and plan effective strategy.

The Lifers' Group is used to corrections employees and subcontracted blood money recipients attempting to cause chaos in the efforts of the group. "Ain't our first rodeo", so such tactics are ineffective. To find out more about the Outreach efforts you can contact Tim at:

Tim Muise is proud to be the Outreach Liaison for the Lifers' Group and will work hard to expose the public safety diminishing activities of guards, suits and subcontracted blood suckers.
