Dear Deenuno77,

Sorry again for the misunderstanding. I feel like you were coerced by this coward "Paul" who tried to portray my intentions as anything other than to help. He is a sick bastard who you will someday see on NBC's "To Catch A Predator" show.

A DOC employee is trying to sabotage B's parole and I cannot put the name in writing as it will give them a "head's up". I just wanted to let you know so Bryce could know. I certainly respect your wishes to be left out of any future conversations. Please just print-out all the messages so B can see them himself. This "Paul" coward is a sick and twisted man who makes his living off the misery of others. Typical subcontracted pseudo-jailer tactic to divide and conquer.

Please know I would NEVER disrespect you or B. I am an activist and felt you would know why I wanted to speak with you (for B.). Take care of yourself. I am,

Respectfully Yours,
