

"Paul" the coward internet troll talks about "hypocrites? He makes his living off of the convicts he professes to hate! A "counselor" my ass. This dry drunk is the laughingstock of his profession; funny hats, red bozo nose, and gimpy little sidwinder gait; he is the clown prince of subcontracted employees.

Now he is an expert on the European justice system. What a fucking joke. Stick to your life-long devotion to reading prisoner blogs and hiding out as an internet troll. Oh yea, please stop pretending to be a twelve year old boy looking for playdates as your too ugly for Prime Time on NBC's "To Catch A Predator."
