

# ON The Rise!

Niggaz and Numberz

2 on my left, 3 more on my right  
I am America's Most Hunted  
and the numberz dont lie.

Good Kid Mad City  
Hater of Hatred  
Dispiser of Pity

Save the Children  
Abandon the Youth  
Worthless to Millions  
generator of Billions for You

Who did it?

It was number 3 yeah?  
Take your time, you'll get it,  
you're doing the right thing, see? Yeah?

Now Just tell the Jury,  
it was nigga number 3 wasn't it?  
Tellin about his rage and fury  
It was him at the defendant table wasn't it?

Everybody fears Me,  
Nobody hears Me  
Not even innocence can clear Me  
nothing is ever it appears to Me

lookin at this picture  
as if this is a self inflicted Womb  
I am an American picture  
Born and raised and groomed for doom

You are sadly mistaken  
take a real good look into my eyes  
I am The New Generation of the awakened  
And Me and My Niggaz are on the Rise!

— Eyes (Version)
