

Hello EVERYONE, I recently wrote a blog titled "Being Gay is Not A Sin". Well, the bible says it is. I AM GAY AND AS I SAID in my previously mentioned blog God moves powerfully in my life. So I was shocked when I recieved a revelation from God in church last week. The spirit was moving powerfully and I asked God to give me his wisdom and that was when I was shown Leviticus. Abomination, that is the word used to describe me, I was crushed. God then told me to "Go tell them." I freaked out, I didn't know what to tell them, I was scared to be judged and my heart was broken. I convinced myself to ignore his will until I recieved exact instruction on what to do. I stopped reading my bible. I stopped going to church. I spent the next 5 days praying, begging God to change me. I didn't want to be AN ABOMINATION in the eyes of my Father. Look that word up, it's very strong and very negative meaning. I talked to God saying, "Father I love you even if you hate me, I only want to be righteous in your eyes. You know my heart Lord, How can you despise me for this when I didn't chose to be this way. It's not fair. Why don't you just change me - I can refuse to have sex with men but I can't stop being attracted to them - only you can remove that desire. I was in spiritual turmoil. One day, through some unexpected people, God told me what it was he wanted me to "tell them". No matter what my sexual preference is, no matter what it is I'm doing, God loves me AND AS LONG AS I give him my whole heart he will take care of me. During my period of turmoil the devil came after me hardcore, trying to trick me into turning my back on God. I resisted. Now I'm doing what he told me to do. I'm telling you, God will change me if he wants to, when he wants to, Period. God loves me even though I'm attracted to dudes and will take care of me AS LONG AS I truly love him. No matter what people think or say about me, I AM strong only in Gods' love. The Father even answered my prayer and put me in position to have a male lover. Believe it or not, God loves homosexuals AND wants us in heaven with him for eternity. God can either do what he wants or he can't, how

CAN A PERSON call themselves believers AND SAY OTHERWISE. I ALSO WANT to tell you this, in the entire existence of the UNIVERSE God ONLY wrote one thing with his own finger, the 10 COMMANDMENTS. Everything else was written by people, blessed people but still people AND that makes them fallible. It was also translated by many more fallible people. Please don't let the bible become an idol. Nothing should come before Father God. Also remember that if anyone tells you they know the mind of God that they are liars. I would like to send my deepest condolences to the families AND friends of the victims in the Orlando Nightclub shootings. I cried when I heard about it. Please know that you AND those you lost AND those that survived, are in my prayers. May God Bless you AND care for you for all the days of your life.

Peace AND Love,
