Dear Rita,

07-25-16

Howdy! How are you? I'm doing very well, but I've also been very busy.

I'm glad to hear that you got to visit George, but that's awful that they cut your visits so short. That's not right. It's also very wrong that they did this because he received an activist newsletter. I receive one also.

Yes, now you can see a small part of what we go through. Prison officials abuse their positions to make our lives miserable. And it's crazy that you traveled all that way & your visits were cut so short.

I did hear about your terrorist attacks & it was horrible. Those people are sick. I don't understand why anyone would want to be muslim.

~~Oh~~ I'm very glad to hear about Lars. That's wonderful news. Congratulations.

I got your other letter & I'll send a reply to your home also. Take care of yourself & many blessings!

Love,
